Note: Acceptable purchases include contracted services, materials like fertilizer, mulch, seed, sod, and rental equipment to apply the materials.

Unacceptable purchases include, labor, purchased equipment, field marking for competitive play, demountable field nets and goals, and improvements to bleachers, dugouts, sheds, or other permanent structures. *For the purpose of field use, please do not send cash donations to the schools. You may instead want to use any donation toward the field use charge.*

Receipts must be dated within 6 months of the applicant's signature date on the "Use of Facility" form filed with school.
