Safe Schools and Students

Keeping schools safe is everyone's responsibility. To help, FCPS has a School Security Coordinator, each school has at least one on-staff guidance counselor, and there are school psychologists assigned to every school. The Frederick community also offers resources to help students in need and keep our schools safe. If you need help or have a concern to discuss, there is always someone to listen. Keep these numbers handy:

- ★ Safe Schools Tip Hotline, 1-877-636-6332
