PRE-PARTICIPATION PHYSICAL EVALUATION FOR ATHLETICS

To Parents or Guardians:

Students enrolled in grades 9-12 must have an annual pre-participation physical evaluation, dated April 1, 2024 or later for 2024-2025 school year, in order to participate in Frederick County Public Schools (FCPS) interscholastic and corollary athletics.

The medical evaluation shall be performed by a licensed physician, a certified nurse practitioner, or a certified physician assistant under the supervision of a licensed physician.

The pre-participation physical evaluation consists of four parts: History Form (page 1 & 2), Physical Examination Form (page 3), Supplemental History Form for Athletes with Special Needs (page 4) and Medical Eligibility Form (page 5). **The Medical Eligibility Form (page 5) is the only form that should be submitted to a school.**

When a student- athlete has experienced a significant injury, illness, or surgery after submitting the annual pre-participation physical evaluation, a clearance letter from a physician, nurse practitioner, or certified physician assistant under the supervision of a licensed physician is required to resume participation.

The Medical Eligibility Form, submitted to the school, will be available only to those health and education personnel who have a legitimate educational interest in your child.

It is recommended that sports physicals do not take the place of a student's annual physical examination with their primary care doctor as stated by the American Academy of Family Physicians (AAFP) and the American Academy of Pediatrics (AAP).
