Human Resources

Form #003.F01
July 2023

Purpose

The purpose of this acting capacity designation is to recommend an employee to be placed into an “acting” position. The designation acting capacity is when an employee will serve in a temporary position of a higher classification due to the system/program needs of the absence of the incumbent.

Sections

Part I: Designation of Acting Capacity

- Purpose: To change the position of an existing employee temporarily to a high classification and to assure the temporary assignment adheres to the appropriate negotiated agreement.
- This section is required to be completed by the recommending supervisor.
- Enter the required details. Please note a start and end date are required for all acting designations.
- Acting Capacity requests for a filled position, where the current employee is on an approved leave status, still requires a waiver request in addition to the acting capacity request.

Part II: Reason for Acting Capacity

- Purpose: To assure the designation occurs only in emergency situations and that the designation of “acting” is for a limited specified time period.
- This section is required to be completed by the recommending supervisor.
- Select the appropriate checkbox based upon the request for the request:
 - Temporary absence of the incumbent
 - May **not** exceed six (6) months. Approval beyond six (6) months must be requested in writing to the Senior Human Resources Manager ten (10) days before the expiration of the previously approved “acting” capacity.
 - Vacant position
 - May **not** exceed two (2) months. Approval beyond two (2) months must be requested in writing to the Senior Human Resources Manager ten (10) days before the expiration of the previously approved “acting” capacity.
 - Assignment of duties at a high pay level
 - May **not** exceed six (6) months. Approval beyond six (6) months must be requested in writing to the Senior Human Resources Manager ten (10) days before the expiration of the previously approved “acting” capacity.

Part III: Designee Qualification

- Purpose: To ensure the “acting” employee possesses the minimum qualifications for the “acting” classification.
- This section is required to be completed by the recommending supervisor.

Part IV: Approvals

- All forms must be signed by the recommending supervisor and acting employee.
- Recommending supervisor must submit the completed form to the Director of Operations for a maintenance or operational acting capacities, or their Director for all other classifications.
- The Director will review the need and if approved, submit to the appropriate Executive Director or Chief for final approval.
- Completed and approved forms should be submitted to the appropriate Personnel Officer of HR Manager for proceeding.
