A child who resides in Frederick County and is five (5) years old may be exempted from mandatory school attendance for one (1) year if the child's parent, guardian, or caretaker believes that a delay in school attendance is in the best interest of the child. The parent, guardian, or caretaker must file a signed maturity waiver form with the Supervisor of Early Childhood Education requesting the waiver prior to the start of school of the year in which the child becomes five (5) years old. In submitting the mandatory waiver, the parent or guardian understands that it will be expected that the child will enter kindergarten the following year.
