A parent or guardian must complete and submit this application before a child may be considered for early entrance into kindergarten. The intent of early entrance is to identify children, who are born within 45 days of the September 1st deadline, and whose capabilities warrant early admission.

Early entrance to kindergarten in FCPS is limited to students who demonstrate **advanced academic skills** in literacy and math in alignment with the Ready to Read Act, the Maryland Comprehensive Literacy Plan, and the FCPS Comprehensive Literacy Plan. FCPS strictly adheres to expectations that students eligible for early entrance demonstrate advanced skills, scoring “above benchmark” on composite scores for English Language Arts and Mathematics. Eligible students must also demonstrate developmental, social and emotional readiness.

Email application to: [earlyentrance@fcps.org](mailto:earlyentrance@fcps.org)

The completed 4-page parent application must be received no later than May 15, 2026 by 4:00 p.m.
