***CLARIFICATION***

Bid 14C6, Unit Prices for Fuel System Cleaning, Maintenance and Fuel Oil Tank Replacement  
Bid Opening Date: December 12, 2013 at 2:00 p.m., local time

This notice is being issued to provide the following clarifications to ADDENDUM 1:

**Questions/Answers to number 9.** States that contractors shall install monitoring wells (observation wells) as indicated, however the electronics shall not be required as part of this bid. Contractors shall provide a cost for **Unit Price Group B. IV**, in the event Frederick County Public Schools (FCPS) chooses to install electronics in monitoring wells at a later date.

**Bid Item B. XIII h.** This unit cost is to provide a fixed transfer fuel pumping station in the sizes indicated. This option permits FCPS fuel suppliers the ability to offload tanker deliveries with FCPS on site pumping stations to above grade storage tanks.

The above information is not a change in scope of the project and this clarification will not delay the bid opening

Thank you for your interest in bidding with FCPS.

Sincerely,
