i. The bidder will, upon request and with no cost to the FCPS, furnish documents, independent laboratory tests reports, and/or similar materials of proof to substantiate that the substitutions and deviations of the items they propose to furnish do not prevent these items from being truly and factually equal to, or exceeding, that which is specified.

FCPS reserves the right to use all samples in any manner which may best serve the final determination of the successful bidder, even if said examination and testing results in damage to or destruction of the sample.

d. FCPS retains the right to determine the method of testing to be utilized.

e. Samples that are not retained by FCPS must be removed within two weeks upon notification. Return shipping must be prepaid by the vendor. Samples not removed within this two-week period shall be retained, or disposed of, at the discretion FCPS, and without compensation to the bidder.

9. BID PRICING

a. Prices quoted shall not exceed the prices established under any governmental price control regulations.

b. All prices shall be firm for a period of 90 days from the date of bid opening unless otherwise stated in Section II. FCPS retains the right, with mutual consent of the bidder(s), to utilize the bid pricing and approved price changes for future purchases for as long as the bidder(s) mutually agrees to
extend the prices.

c. FCPS will not accept any proposal with escalator clauses, minimum order requirements or irregular features unless specifically authorized in Section II.

d. If the contract includes equipment, all prices must be FOB-Destination (inside delivery), unless specifically authorized in Section II.

e. Charges for express delivery will only be allowed if authorized by FCPS in writing.

f. The bidder(s) are encouraged to bid only one product per line item that most nearly meets the specifications. If the bidder believes that there is more than one product available, a limit of two offers will be considered for each line item.

g. If two or more particular brands, models, or makes are listed in the specifications (under Base and Alternate Bids) and the bidder has not indicated in the bid which of the two or more brands, models, etc., is being bid, it shall be understood that FCPS may require the bidder to furnish whichever is preferred by FCPS.

h. All unit prices on items bid shall be completed on the provided proposal sheet(s). A “NO BID” or “N/A” notation should be completed for each item not being bid. Blank spaces in the proposal sheet will be considered as not being bid.

i. In case of an error in the extension of prices in the bid, the unit price shall govern.

j. Unit Prices must be rounded off to no more than two decimal places unless so specified in Section II.

k. FCPS reserves the right to consider discounts in evaluating a bid with line item pricing requirements. The bidder should calculate all discounts, other than prompt payment, as part of their unit pricing.

10. TAXES

No charge will be allowed for federal excise, state, and/or municipal sales and use taxes, from which the Board of Education of Frederick County is exempt. Pricing will be net and will not include the amount of any such tax. Bidders will be required to pay the tax on all purchases and can recover it only as a part of their bid price. Exemption certificates will be furnished upon request.

11. GUARANTEES AND WARRANTIES

a. The awarded vendor(s) will guarantee the material and workmanship on all services, equipment, materials, supplies, and labor, furnished by them, for a minimum period of one year from the date of acceptance, unless a longer period of time is specified in Section II.

b. If, within the guarantee period, any defects or signs of deterioration are noted, the awarded vendor(s), at their expense, shall correct the condition or they shall replace the part or entire unit of work/equipment to the complete satisfaction of FCPS. These repairs, replacements, or adjustments shall be made only at such times as will be designated by FCPS to minimize the disruption to building/school operations.

c. Should the awarded vendor(s) fail to comply with the terms of this guarantee, FCPS may have such
work performed as it deems necessary to fulfill the guarantee, charging the cost to the awarded vendor(s).

12. **BID OPENING**

a. Bids shall be opened in public at the time and place designated in the bid solicitation.

b. Complete evaluation of the proposals will not take place at the bid opening and no indication of award will be made. A final recommendation(s) shall be prepared for review and approval by the Board of Education of Frederick County.

c. The recommended award will be posted to the FCPS BoardDocs website a minimum of five days prior to the Board of Education meeting in which it will be presented.

d. Final award recommendation, and the bid tabulation, will be posted on the FCPS webpage, [www.fcps.org/bidlist](http://www.fcps.org/bidlist), after the Board of Education of Frederick County approval.

13. **ERRORS IN BID SUBMISSIONS**

a. Bidders, or their authorized representatives, are expected to fully inform themselves as to the conditions and requirements of the specifications before submitting bids. Failure to do so will be at the bidder's own risk.

b. If the bidder has made an error, the bidder may request, in writing, to have their bid withdrawn. Approval of a bidder's request is not automatic and may be given only by the Purchasing Manager. Requests for withdrawal are usually denied, unless the bidder proves to the satisfaction of the Purchasing Manager that the mistake was either a scrivener's error or another type of clearly unintentional error so departing from customary and reasonable business practices as to be obvious and to legitimately and substantially impair the vendor's business.

c. Neither law nor regulations make allowance for errors either of omission or commission on the part of the bidders. In case of error in multiplication of unit price when arriving at total price per line item, the unit price shall govern. If there is a discrepancy between the price written in numbers and the price written in words, the words will govern.

14. **AWARDS OR REJECTION OF BIDS**

a. The basis of award shall be the lowest responsible bidder submitting a responsive bid that conforms to the specifications established in the solicitation with consideration given to the quantities involved, time required for delivery, purpose for which required, competency and responsibility of bidder, the ability of the bidder to perform satisfactory service, and the plan for utilization of minority contractors, if applicable.

b. FCPS reserves the right to determine completeness and/or timeliness of bids, to reject any or all bids in whole or in part, to make partial awards, to waive any informality in any quotation, to increase or decrease quantities if quantities are listed in the bid, to reject any bid that shows any omissions, alterations of form, additions not called for, conditions, or alternate proposals, and to make any such award as is deemed to be in its best interest.

c. Bidders may be required, before the awarding of a contract, to show to the complete satisfaction of FCPS, that they have the necessary facilities, ability and financial resources to execute the contract in a satisfactory manner, and within the time specified. Bidders may be required to demonstrate...
they have the necessary experience, history and references to assure FCPS of their qualifications.

d. The Board of Education of Frederick County reserves the right to award the bid within 90 days from the date of the bid opening unless a different time period is stated in the bid document.

e. Unless stated otherwise in Section II, the contract may be awarded by line item, group, or in the aggregate, whichever is in the best interest of FCPS.

f. In the event of a tie, where all other factors, such as past performance, are considered comparable, the award shall be made to the Frederick County based bidder; the closest Maryland out-of-county based bidder; and the closest out-of-state based bidder, in that order of preference.

g. FCPS does not have local, state or federal preference requirements except when mandated by a targeted funding source.

h. If, after competitive sealed bids have been opened, the Purchasing Manager determines that only one responsible bidder has submitted a responsive bid, the procurement contract may be negotiated with that one bidder as sole source procurement.

i. A recommendation for the award of a contract will be presented to the Board of Education of Frederick County for approval. Upon approval of the award of contract, the bidder(s) shall be notified of their award(s). If applicable, an FCPS contract document shall also be issued.

j. The Board of Education of Frederick County reserves the right to reject the bid of a bidder who has, in the opinion of FCPS, failed to properly perform under previous contracts, or, who investigation shows, is not in a position to perform the contract.

k. The Board of Education of Frederick County retains the right to reject any and all bids, if it is deemed in the best interest of FCPS to do so.

l. If, during the life of the contract, a product or service does not meet the solicitation terms and conditions, FCPS retains the right to cancel the awarded item(s) and award to a new bidder, as long as that bidder mutually agrees to the award.

15. CONTRACT FORMATION

a. Notification of the contract award will be made by letter after approval by the Board of Education of Frederick County.

b. The primary form of contract is the purchase order(s), and any agreed upon schedules, addenda, shop drawings, and documents associated with the bid solicitation/submission/award.

c. A secondary form of contract, if required, may be noted in Section II of this bid solicitation.

d. No amendment, modification or change to the contract shall be effective unless such change is in writing and mutually agreed upon by authorized representatives of FCPS and the awarded vendor(s). Changes may not significantly alter the original scope of the agreement.

16. PROTESTS

a. The Purchasing Manager or designee (when the Purchasing Manager administers the bid being protested) shall attempt to resolve, informally, all protests of bid award recommendations. Bidders
are encouraged to present their concerns promptly to the Contract Manager for consideration.

i. The bidder must submit their concern, in writing, addressed to the Purchasing Manager. It should include the following:
   - Name, address, contact information of the protestor;
   - Statement of reasons for the protest;
   - Supporting documentation to substantiate the claim;
   - The remedy sought.

ii. The protest must be received by the Purchasing Manager at least two calendar days prior to the date of the Board of Education meeting at which the recommendation will be presented. It is the vendor’s responsibility to ascertain the date and time of award.

iii. A bidder who does not file a timely protest before the contract is awarded by the Board of Education of Frederick County is deemed to have waived any objection.

b. The Purchasing Manager shall inform the Chief Financial Officer and/or general counsel upon receipt of the protest, and shall confer with them prior to the issuance of a decision regarding disputes of contracts or awards valued at $25,000 or above.

c. The Purchasing Manager shall issue a decision in writing.

d. Should the protestor disapprove of the Purchasing Manager’s decision, they have the right to address the Board of Education of Frederick County during the public comment section of the same Board meeting where the award recommendation is scheduled for award.

e. The Board of Education of Frederick County’s decision is deemed the final action at the local level.

f. A bidder may appeal a decision of the Board directly to the Maryland State Board of Education in accordance with Board Policy 105.11 and Maryland law.

17. **CONTRACT ASSIGNMENT**

a. The awarded vendor(s) will not assign or transfer any portion of their interest or obligation under this Agreement to any third party, without the prior written consent of the Contract Manager. Nothing herein shall be construed to create any personal or individual liability upon any employee, officer, elected official of the Board of Education of Frederick County, nor shall this Agreement be construed to create any rights hereunder in any person or entity other than the parties to this Agreement.

b. The awarded vendor(s) will, when required, submit to the Contract Manager, in writing, the name of each subcontractor they intend to employ, the portion of the material to be furnished, their place of business, and any such information as may be required in order to know whether such subcontractor is reputable and reliable and able to furnish satisfactorily the material as called for in the specifications.

c. FCPS reserves the right to approve or disapprove all subcontractors to be employed on a project. FCPS further reserves the right to approve or disapprove a change of subcontractor once an initial subcontractor has been approved. Any increased cost associated with the change of a subcontractor shall be the full obligation and responsibility of the awarded vendor(s).
d. The awarded vendor(s) will not legally, or equitably, assign any of the funds payable under the contract, or its claim thereto, unless by, and with, the consent of the Contract Manager.

e. The awarded vendor(s) will have the same provisions inserted in all subcontracts relative to the terms of the general conditions and other contract documents. Nothing contained in this contract shall create any contractual relations between any subcontractor and FCPS.

18. **MULTI-YEAR CONTRACT**

a. Contracts that require funding appropriation for more than one fiscal year automatically terminate if money sufficient for the continued performance is not appropriated for any fiscal year. The date of termination is the last day of the fiscal year for which money was last appropriated, or the date provided in the termination clause of the procurement contract, whichever is earlier.

b. If the multi-year contract is terminated due to lack of funding, FCPS shall reimburse the vendor for the reasonable value of any nonrecurring costs that were incurred as a result of the multi-year contract, but not amortized in the price of the supplies or services delivered under the multi-year contract. The reasonable value will be negotiated, and mutually agreed upon, by FCPS and the vendor.

c. The cost of termination may be paid from any appropriation available for that purpose.

19. **HOLD HARMLESS**

It is understood that the awarded vendor(s) shall defend and hold harmless the Board of Education of Frederick County, and its representatives, from all suits, actions, or claims of any kind brought about as a result of any injuries or damages sustained by person(s) or property during the performance of this contract.

20. **CONTRACT DISPUTES**

a. Any dispute arising under this contract shall be decided by the Contract Administrator, the Contract Manager and the Purchasing Manager, who will communicate their decision to writing and furnish a copy to the vendor. This decision shall be final and conclusive unless, within 30 days, the vendor furnishes a written appeal addressed to the Board of Education of Frederick County. The local Board of Education has the right to hear appeals as provided by Maryland law.

b. The Board of Education of Frederick County, or its duly authorized representative, will review the appeal for the determination of such appeal and their finding shall be final and conclusive. In connection with any appeal preceding under this clause, the vendor will be afforded an opportunity to be heard and to offer evidence in support of his appeal. Pending final decision of a dispute, the vendor shall proceed diligently with the performance of the contract and in strict accordance with the FCPS staff’s decision. Exceptions are decisions determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as to imply bad faith, or not supported by evidence.

c. This clause does not preclude consideration of laws questioned in connection with the decision provided for above.

21. **TERMINATION FOR DEFAULT**
a. When an awarded vendor has not performed or has unsatisfactorily performed the contract, payment shall be withheld at the discretion of FCPS. FCPS may, by written notice of default to the vendor, terminate the whole or any part of the contract in any of the following circumstances:

i. If the vendor fails to perform the services or provide the products within the time and manner specific herein or any extension thereof, or:

ii. If the vendor fails to perform any of the provisions of this contact, or fails to make progress as to endanger performance of this contract, in accordance with its terms and in either of these two circumstances does not cure such failure within a period of ten calendar days (or longer as authorized by the Purchasing Manager) after receipt of written notice from the Purchasing Manager of such failure, or:

iii. If the vendor willfully attempts to perform the services other than specified as to coverage, limits, protections, and quality or otherwise, without specified authorization in the form of contract amendment, or:

iv. If a determination is made by FCPS that the obtaining of the contract was influenced by an employee FCPS having received a gratuity, or a promise therefore, in any way or form.

b. In the event FCPS terminates the contract in whole or in part, FCPS may procure such products and services, in a manner the Purchasing Manager deems appropriate, and the vendor shall be liable to FCPS for any additional cost(s) incurred.

c. If, after notice of termination of this contract under provisions of this clause, it is determined for any reason that the vendor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to a termination for convenience.

22. TERMINATION FOR CONVENIENCE

The contract may be terminated by FCPS in accordance with this clause in whole, or in part, whenever FCPS determines that such a termination is in the best interest of FCPS. Written notice shall be given a minimum of 30 days in advance. FCPS will pay for all services, in accordance with contract pricing, up to the date of the termination. However, the awarded vendor(s) shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination. Under this contract, the awarded vendor does not have a right to unilateral termination for convenience.

23. GOVERNING LAW AND VENUE

The solicitation shall be construed in accordance with, and interpreted under, the laws of the State of Maryland. Any lawsuits shall be filed in the appropriate State Court located in Frederick County, Maryland.

This is conditioned upon mutual agreement of all parties pursuant to special requirements, which may be appended thereto. The awarded vendor(s) agrees to notify the issuing body of those entities that wish to use any contract resulting from this bid and will also provide usage information, which may
be requested.

b. By agreeing to extend the contract to other agencies, the vendor(s) reaffirms and warrants his original commitment to FCPS so that afterwards all items and services shall continue to conform to the requirements and conditions of the original agreement for its duration. Agencies who utilize the contract agree to notify FCPS Purchasing Department of any significant experiences, problems or issues which may, or may have the potential to, affect our administration of this contract.

c. FCPS assumes no obligation on behalf of any other agency and shall be held harmless if either party is damaged due to the agency or vendor’s failure to become informed of, or comply with, any provision or pricing under this agreement. All purchase orders and billing will be transacted between the vendor and the public agency.

d. Each participating jurisdiction or agency shall enter into its own contract with the awarded vendor(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate “directly” to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes must be resolved solely between the participating agency and the awarded vendor(s). The Lead Agency does not assume any responsibility other than to obtain pricing for the specifications provided.

c. Where the requirements of the specifications call for a higher grade and are not in conflict with the laws, ordinances, etc., the specifications shall govern.

   All FCPS technology based instructional products (instructional software, online resources, and computer based equipment) must be consistent with the federal Rehabilitation Act, Maryland Subpart B Technical Standards, Section 508, for accessibility by students with disabilities unless doing so would fundamentally alter the nature of the instructional activity or result in undue financial and administrative burdens. Requests for bids, proposals, procurement contracts, and grants will follow established procedures for evaluating compliance to accessibility standards in all purchase decisions.

33. **EMPLOYMENT OF CHILD SEX OFFENDERS AND PERSONS WITH UNCONTROLLED ACCESS TO STUDENTS**

   a. Be advised that individuals who are registered sex offenders are not eligible to work on any FCPS’ project. The awarded vendor(s) must initially check the Maryland Department of Public Safety & Correctional Services’ Maryland Sex Offender Registry and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well. For projects lasting more than a few months, the vendor will periodically re-check the names of workers against the registry to ensure ongoing compliance. In the event that a registered sex offender is discovered to be working on a FCPS project, whether through employment by the vendor, subcontractor or equipment or material supplier, FCPS will notify the site superintendent to immediately remove the individual from the premises and permanently terminate his work assignment. The use of illegal immigrant labor to fulfill contracts solicited by FCPS is in violation of the law and is strictly prohibited. Awarded vendor(s) and subcontractors must verify employment eligibility of workers in order to assure that they are not violating federal/state/local laws regarding illegal immigration. A compliance audit may be conducted.

38. STUDENT/STAFF CONFIDENTIALITY

Under no circumstances may any vendor/contractor/provider/consultant release, disclose, sell or

39. PUBLIC INFORMATION ACT NOTICE

a. Bidders should identify those portions of their solicitation, which they deem to be confidential, or to contain proprietary commercial information or trade secrets. FCPS may also consider requests for price increase for raw materials that are directly attributable to the cause of delay. FCPS reserves the right to cancel the contract and/or purchase materials, equipment or services from the best available source during the time of Force Majeure, and the vendor shall have no recourse against FCPS. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party’s performance of this contract is prevented by reason of Force Majeur as defined herein.

Contractors are required to register with www.eMarylandMarketplace.org within five days following notice of award. Maryland law requires local and state agencies to post award notices on eMaryland Marketplace. This cannot be done without the contractor’s self-registration in the system. Registration is free. Failure to comply with this requirement may be considered grounds for default. It is recommended that any interested bidder register with eMaryland Marketplace regardless of the award outcome for this procurement as it is a valuable resource for bid notification for municipalities through Maryland.
1. **SCOPE**

This contract is for the purchase of materials and supplies for plumbing throughout Frederick County Public schools and offices.

2. **CONTRACT PERIOD**

The contract term will be effective from date of award through August 31, 2018, with two additional two-year renewal options available.

3. **PRICING**

   a. All prices shall remain firm through the initial contract period.
   
   b. FCPS expects all vendors to provide year over year cost reductions recommendations.
   
   c. Price decreases are acceptable at any time, need not be verifiable, and are required should the contractor/producer/processor/manufacturer experience a decrease in costs associated with the execution of the contract.
   
   d. Price adjustments from the contractor/producer/processor/manufacturer for any/all items may be considered at renewal. The request is subject to approval by the Contracting Officer. The request must be submitted in writing at least 60 days prior to the renewal term and shall be accompanied by supporting documentation.
   
   e. Should the awarded vendor, at any time during the life of the contract, sell materials of similar quality to another customer, or advertise special discounts or sales, at a price below those quoted within the contract, the lowest discounted prices shall be offered to FCPS.

4. **PREPARATION OF PROPOSAL**

   a. Due to possible changes and/or additions to the solicitation package, FCPS requests that bidders delay submission of their bid package until after the date of the pre-bid meeting or the date that questions are due to allow time for the possible issuance of an addendum.    b. The Technical and Cost proposals will be submitted separately.
   
   c. **Technical Proposal:**

      i. Submit one original of the Technical Proposal in a sealed envelope, properly labeled on the outside with the bidder’s name and “TECHNICAL PROPOSAL”.

   iii. No separate costs for travel, mileage, overhead or miscellaneous are acceptable. All costs are to be included in the rates on the Form of Proposal Part 2.

5. **EVALUATION CRITERIA AND AWARD**

a. A committee of FCPS staff will independently review and evaluate each technical proposal.

b. The process for determining which vendor(s) to approve may take the form of a questionnaire, interview, and/or site visit, and includes appraisals of various aspects of the supplier's business including capacity, financials, quality assurance, organizational structure and processes and performance.

c. 60 points will be assigned for the technical proposal and will be assigned as follows:

   • Company Profile – 5
   • Experience and Capabilities - 30
   • Licensing and Insurance – 10
   • References – 10

e. Points will be deducted for incomplete or missing responses, or responses that do not follow the required format. Extraneous marketing materials or irrelevant information is not to be submitted.

f. If not approved, the supplier will not be considered further in price evaluations.

g. If approved, cost proposals will be evaluated on a weighted basis. 40 total points will be awarded with the maximum points given for the lowest overall calculated costs.

h. Final ranking will be made on the basis of the criteria and rubric listed above.

i. An interview may be required to obtain more information prior to recommendation for award.
j. A minimum of two (2) awarded vendors will be selected.

   i. Delivery
   ii. Response time
   iii. Backorders
   iv. Quality of deliverables
   v. Invoicing
   vi. Sales data (Contract data, non-contract data)

d. If noncompliance occurs, it shall be documented in a timely manner, including actions taken and final resolution. Copies of the correspondence will be maintained in the Purchasing Department bid documents.

e. Issues of noncompliance will be handled on a case by case basis. This may include, but is not limited to, written correspondence, face-to-face meetings, and/or an agreed upon performance management plan. FCPS retains the right to terminate the contract, in whole or in part, if the noncompliance issue is not resolved to the satisfaction of FCPS.

7. MATERIAL SPECIFICATION

a. The Awarded Vendor will provide materials in accordance with industry standards, applicable Federal, State and local codes, as well as applicable environmental and health laws and regulations, to include but not limited to all national, state and local codes, standards, laws, rules and regulations as they relate to the manufacture, testing, storage, distribution and selling of the items being solicited.

b. The Vendor will comply with the provisions of Sections 17-301 through 17-306 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended entitled "Steel Procurement for Public Works." The Vendor’s affidavit of compliance with these provisions may be required before payment can be made. The “Buy American Steel” Act of Maryland defines “steel products” as any product “rolled, formed, shaped, drawn, extruded, forged, cast, fabricated, or otherwise similarly processed, or processed by a combination of two or more of such operation, from steel made in the United States by the open hearth, basic oxygen, electric furnace, Bessemer, or other steel making process.”

d. Failure of the Awarded Vendor to deliver within the specified time window may result in FCPS canceling the order with the Awarded Vendor and ordering the material from the next lowest bidder. The Awarded Vendor may then be pecuniarily responsible for the difference in cost.

e. If there are extenuating circumstances, out of the control of the Awarded Vendor that would extend the delivery past the agreed upon time, then the Awarded Vendor agrees to notify FCPS immediately of these circumstances by contacting calling, or contacting by email, the contact person on the order and advise them of when the delivery shall be made.

f. It is the Bidder’s responsibility to have material available for FCPS to pick up at a location within 25 miles for FCPS Central Office, 191 South East Street, Frederick, MD 21701. The determination of the mileage shall be obtained through on-line Internet tools, such as http://maps.google.com, based upon the address provided by Bidder.

h. A delivery ticket shall accompany all deliveries. The delivery ticket must indicate the FCPS purchase order number or indicate the order was a pcard transaction. Any order placed via a purchase order that does not identify the FCPS purchase order number on the delivery ticket will be rejected. The Awarded Vendor shall obtain a printed name and signature from an FCPS employee.

authenticates the actual manufacturer list price.

13. INVOICING AND PAYMENT

a. Invoices for orders under a purchase order shall be submitted to:

   placing the order.
14. **BIDS FOR ALL OR PART**

A bidder may restrict their bid to be considered in the aggregate by so stating, but must submit a unit price on each item bid. Failure to provide unit prices may result in the bid being considered non-responsive.

15. **AMERICAN STEEL ACT**

The vendor will comply with the provisions of Sections 17-303 through 17-306 of the State Finance and Procurement Article of the Annotated Code of Maryland, as amended entitled "Steel Procurement for Public Works." The vendor’s affidavit of compliance with these provisions may be required before payment can be made.

INSTRUCTIONS

“Percentage of list” discount pricing is to be provided by TYPING or PRINTING LEGIABLY the “number” without a plus (+) or minus (-) sign in front and maybe extended to two decimal points. All numbers provided shall be evaluated on their “Absolute” value and not their value with signage, and any numbers extended past two decimal points shall be rounded up to two decimal points prior to evaluation.

EXAMPLE (of no discount off list): 0%
EXAMPLE (of 5% off list): 5%
EXAMPLE (of 5.5% off list): 5.5%
EXAMPLE (of 5.55% off list): 5.55%

Delivery charges, insurance, expenses, and/or overhead shall be included within all “delivered” pricing submitted.

Bidder(s) must indicate any required deposit fee(s) as a separate attachment to this proposal (i.e. pallet deposit). FCPS will be refunded 100% of deposit amount upon return of pallet(s).

Pricing provided by Bidders will be for any quantity. No minimum quantity orders and/or shipments are guaranteed.

DO NOT provide “percentage off list” discount pricing that would increase the cost of materials/supplies over the most recent manufacturer catalog list prices.

FCPS is assuming that bidders are plumbing supply subject matter experts, and therefore will know what manufacturers typically provide product to K-12 school systems.

Revised 01.20.2016
1. All Contractors, subcontractors or vendors must abide by FCPS Board policies and regulations while working on FCPS property.

2. Maryland Law requires that any person who enters into a contract with a county board of education may not knowingly employ an individual to work at a schools (or FCPS facility) if the individual is a registered sex offender. Please reference §11-113 of the Criminal Procedure Article of Maryland Code for penalty.

3. Be advised that individuals who are registered sex offenders are not eligible to work on any FCPS project. The Contractor must initially check the Maryland Department of Public Safety & Correctional Services' MARYLAND SEX OFFENDER REGISTRY and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well.

4. In the event that a registered sex offender is discovered to be working on a FCPS project, whether through employment by the prime Contractor, subcontractor or vendor, the site superintendent will immediately remove the individual from the premises and permanently terminate his work assignment. FCPS may terminate this contract as a result if the Contractor is unable to demonstrate he has exercised care and diligence in the past in checking the Maryland registry.

5. Effective July 1, 2015, amendments to §6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor or vendor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:
   
   a. A sexual offense in the third or fourth degree under §3-307 or §3-308 of the Criminal Law Article of the Maryland Code.
   
   b. Child sexual abuse under §3-602 of the Criminal Law Article of the Maryland Code or any other State; or
   
   c. A crime of violence as defined in §14-101 of the Criminal Law Article of the Maryland Code or any other State

6. Under recent amendments to §5-561 of the Family Law Article of the Maryland Code, each contractor, subcontractor or vendor shall certify by signing this affidavit that any individuals in its work-force including sub-contractors, have undergone a criminal background check, including fingerprinting, if the individuals will work in a FCPS school facility in circumstances where they have direct, unsupervised, and uncontrolled access to children.

By my signature below, I affirm under penalties of perjury that the contents of this Certification of Compliance are true to the best of my knowledge, information and belief.
