DUE DATE: FCPS Main Lobby, Thursday, June 8, 2017, prior to and time stamped no later than 2:00 P.M.

This addendum is being issued to provide additions, corrections, clarifications and answers to certain questions raised referencing the original bid packages and any resultant contracts for the above bid.

1. Clarification: Section II – Specific Terms and Conditions, Page 25, #3 Pricing:
 - a. All prices for items on Form of Proposal 2, Market Basket shall remain firm through the initial contract period.
 - b. Prices related to discount from catalogs shall remain firm through June 30, 2018. Prices may be adjusted at the anniversary date of the contract by the submission of a new catalog and/or price list showing the change in pricing. A copy of said catalog and/or price list shall be submitted to the Purchasing Department no later than 60 days prior to the anniversary date.
 - c. FCPS expects all vendors to provide year over year cost reduction recommendations.
 - d. Price decreases are acceptable at any time, need not be verifiable, and are required should the contractor/producer/processor/manufacturer experience a decrease in costs associated with the execution of the contract.
 - e. Price adjustments from the contractor/producer/processor/manufacture for any/all items may be considered at renewal. The request is subject to approval by the Contracting Officer. The request must be submitted in writing at least 60 days prior to the renewal term and shall be accompanied by supporting documentation.
 - f. Should the awarded vendor, at any time during the life of the contract, sell materials of similar quality to another customer, or advertise special discounts or sales, at a price below those quoted within the contract, the lowest discounted prices shall be offered to FCPS.
2. Clarification: Vendors may submit tiered catalog discounts under Form of Proposal 1 – Percentage Discount from Catalog Pricing. Please make a note on the Form of Proposal and submit the tiered discounts with your submission. Vendors may submit volume discounted pricing under Revised Form of Proposal 2 – Market Basket.
