Any material or article that will perform adequately the duties imposed by the general design will be considered equal and satisfactory. FCPS retains the right to determine if items are equivalent and will be accepted.
- b. It will be the responsibility of the bidder to submit a clear and concise proposal wherein each substitution and deviation is identified and described, in writing, at the time of solicitation submission.
- c. In the absence of any statement to the contrary by the bidder, the submission will be interpreted as being the exact brand and/or qualities, etc., enumerated in the detailed specifications, whenever the specifications indicate a product of a particular manufacturer, model or brand.
- d. Bidders must submit detailed literature if bidding an item other than the specified item. Detailed literature is defined as product features or specifications relating to construction and/or performance.
- e. The detailed literature is to be arranged and labeled according to item number.

- f. It is the bidders' responsibility to submit required literature, or links to webpages, with the bid submission. Failure to submit such data as required and/or at the time designated by the Purchasing Department shall be cause for rejection of that item.
- g. No substitutions or deviations will be permitted following the award of the contract unless "cause and effect" is presented in writing and approved by the Contract Manager. A statement of any credit or extra cost involved will be included with the request.
- h. FCPS shall not be responsible to provide personnel, testing facilities, or other resources necessary to search out substitutions and deviations in bid proposals which are unclear through the nebulous terms such as "comparable", or blanket statements of deviation such as "our standard design, construction, hardware, finishes, etc."
- i. The bidder will, upon request and with no cost to the FCPS, furnish documents, independent laboratory tests reports, and/or similar materials of proof to substantiate that the substitutions and deviations of the items they propose to furnish do not prevent these items from being truly and factually equal to, or exceeding, that which is specified.
- j. The cost of testing a representative sample of an order or shipment for acceptance and compliance with specifications shall be borne by FCPS. If the order or shipment is rejected for failure to meet the requirements of the specifications or purchase description, the cost of testing will be charged to the awarded vendor.

- c. The right is reserved to retain any sample submitted with bids for the purposes of examination and testing. extend the prices.

- c. FCPS will not accept any proposal with escalator clauses, minimum order requirements or irregular features unless specifically authorized in Section II.
- d. If the contract includes equipment, all prices must be FOB-Destination (inside delivery), unless specifically authorized in Section II.

- f. The bidder(s) are encouraged to bid only one product per line item that most nearly meets the specifications. If the bidder believes that there is more than one product available, a limit of two offers will be considered for each line item.
- g. If two or more particular brands, models, or makes are listed in the specifications (under Base and Alternate Bids) and the bidder has not indicated in the bid which of the two or more brands, models, etc., is being bid, it shall be understood that FCPS may require the bidder to furnish whichever is preferred by FCPS.

- b. If, within the guarantee period, any defects or signs of deterioration are noted, the awarded vendor(s), at their expense, shall correct the condition or they shall replace the part or entire unit of work/equipment to the complete satisfaction of FCPS. These repairs, replacements, or adjustments shall be made only at such times as will be designated by FCPS to minimize the disruption to building/school operations.

- b. If the bidder has made an error, the bidder may request, in writing, to have their bid withdrawn. Approval of a bidder's request is not automatic and may be given only by the Purchasing Manager. Requests for withdrawal are usually denied, unless the bidder proves to the satisfaction of the Purchasing Manager that the mistake was either a scrivener's error or another type of clearly unintentional error so departing from customary and reasonable business practices as to be obvious and to legitimately and substantially impair the vendor's business.
- c. Neither law nor regulations make allowance for errors either of omission or commission on the part of the bidders. In case of error in multiplication of unit price when arriving at total price per line item, the unit price shall govern. If there is a discrepancy between the price written in numbers and the price written in words, the words will govern.

14. AWARDS OR REJECTION OF BIDS

- a. The basis of award shall be the lowest responsible bidder submitting a responsive bid that conforms to the specifications established in the solicitation with consideration given to the quantities involved, time required for delivery, purpose for which required, competency and responsibility of bidder, the ability of the bidder to perform satisfactory service, and the plan for utilization of minority contractors, if applicable.

- e. Unless stated otherwise in Section II, the contract may be awarded by line item, group, or in the aggregate, whichever is in the best interest of FCPS.
- f. In the event of a tie, where all other factors, such as past performance, are considered comparable, the award shall be made to the Frederick County based bidder; the closest Maryland out-of-county based bidder; and the closest out-of-state based bidder, in that order of preference.
- g. FCPS does not have local, state or federal preference requirements except when mandated by a targeted funding source.
- h. If, after competitive sealed bids have been opened, the Purchasing Manager determines that only one responsible bidder has submitted a responsive bid, the procurement contract may be negotiated with that one bidder as sole source procurement.
- i. A recommendation for the award of a contract will be presented to the Board of Education of Frederick County for approval. Upon approval of the award of contract, the bidder(s) shall be notified of their award(s). If applicable, an FCPS contract document shall also be issued.

16. PROTESTS

 - iii. A bidder who does not file a timely protest before the contract is awarded by the Board of Education of Frederick County is deemed to have waived any objection.
- b. The Purchasing Manager shall inform the Chief Financial Officer and/or general counsel upon receipt of the protest, and shall confer with them prior to the issuance of a decision regarding disputes of contracts or awards valued at \$25,000 or above.
 - c. The Purchasing Manager shall issue a decision in writing.

17. CONTRACT ASSIGNMENT

- a. The awarded vendor(s) will not assign or transfer any portion of their interest or obligation under this Agreement to any third party, without the prior written consent of the Contract Manager. Nothing herein shall be construed to create any personal or individual liability upon any employee, officer, elected official of the Board of Education of Frederick County, nor shall this Agreement be construed to create any rights hereunder in any person or entity other than the parties to this Agreement.
- b. The awarded vendor(s) will, when required, submit to the Contract Manager, in writing, the name of each subcontractor they intend to employ, the portion of the material to be furnished, their place of business, and any such information as may be required in order to know whether such subcontractor is reputable and reliable and able to furnish satisfactorily the material as called for in the specifications.
- c. FCPS reserves the right to approve or disapprove all subcontractors to be employed on a project. FCPS further reserves the right to approve or disapprove a change of subcontractor once an initial subcontractor has been approved. Any increased cost associated with the change of a subcontractor shall be the full obligation and responsibility of the awarded vendor(s).
- d. The awarded vendor(s) will not legally, or equitably, assign any of the funds payable under the

contract, or its claim thereto, unless by, and with, the consent of the Contract Manager.

- e. The awarded vendor(s) will have the same provisions inserted in all subcontracts relative to the terms of the general conditions and other contract documents. Nothing contained in this contract shall create any contractual relations between any subcontractor and FCPS.

18. MULTI-YEAR CONTRACT

- a. Contracts that require funding appropriation for more than one fiscal year automatically terminate if money sufficient for the continued performance is not appropriated for any fiscal year. The date of termination is the last day of the fiscal year for which money was last appropriated, or the date provided in the termination clause of the procurement contract, whichever is earlier.
- b. If the multi-year contract is terminated due to lack of funding, FCPS shall reimburse the vendor for the reasonable value of any nonrecurring costs that were incurred as a result of the multi-year contract, but not amortized in the price of the supplies or services delivered under the multi-year contract. The reasonable value will be negotiated, and mutually agreed upon, by FCPS and the vendor.
- c. The cost of termination may be paid from any appropriation available for that purpose.

19. HOLD HARMLESS

20. CONTRACT DISPUTES

- a. Any dispute arising under this contract shall be decided by the Contract Administrator, the Contract Manager and the Purchasing Manager, who will communicate their decision to writing and furnish a copy to the vendor. This decision shall be final and conclusive unless, within 30 days, the vendor furnishes a written appeal addressed to the Board of Education of Frederick County. The local Board of Education has the right to hear appeals as provided by Maryland law.
- b. The Board of Education of Frederick County, or its duly authorized representative, will review the appeal for the determination of such appeal and their finding shall be final and conclusive. In connection with any appeal preceding under this clause, the vendor will be afforded an opportunity to be heard and to offer evidence in support of his appeal. Pending final decision of a dispute, the vendor shall proceed diligently with the performance of the contract and in strict accordance with the FCPS staff's decision. Exceptions are decisions determined by a court of competent jurisdiction to have been fraudulent, capricious, arbitrary, or so grossly erroneous as to imply bad faith, or not supported by evidence.

 - iii. If the vendor willfully attempts to perform the services other than specified as to coverage, limits, protections, and quality or otherwise, without specified authorization in the form of contract amendment, or:
 - iv. If a determination is made by FCPS that the obtaining of the contract was influenced by an employee FCPS having received a gratuity, or a promise therefore, in any way or form.
- b. In the event FCPS terminates the contract in whole or in part, FCPS may procure such products and services, in a manner the Purchasing Manager deems appropriate, and the vendor shall be liable to FCPS for any additional cost(s) incurred.
 - c. If, after notice of termination of this contract under provisions of this clause, it is determined for any reason that the vendor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to a termination for convenience.

22. TERMINATION FOR CONVENIENCE

The contract may be terminated by FCPS in accordance with this clause in whole, or in part, whenever FCPS determines that such a termination is in the best interest of FCPS. Written notice shall be given a minimum of 30 days in advance. FCPS will pay for all services, in accordance with contract pricing, up to the date of the termination. 36. FOREIGN LANGUAGE TRANSLATOR REQUIREMENT

- a. An awarded vendor(s) that assigns employees to an FCPS project that do not speak English must have an on-site, full time interpreter.
- b. Failure of an awarded vendor(s) to have an on-site, full time interpreter that is fluent in speaking and understanding an employee's native language for those employees that do not speak English is reason for immediate termination of the contract for cause.

37. ILLEGAL IMMIGRANT LABOR

The use of illegal immigrant labor to fulfill contracts solicited by FCPS is in violation of the law and is strictly prohibited. Awarded vendor(s) and subcontractors must verify employment eligibility of workers in order to assure that they are not violating federal/state/local laws regarding illegal immigration. A compliance audit may be conducted.

38. STUDENT/STAFF CONFIDENTIALITY

Under no circumstances may any vendor/contractor/provider/consultant release, disclose, sell or otherwise use names, addresses, or any other information related to students, or staff, of FCPS and may only use this information for purposes required under any contract/agreement or memorandum of understanding.

39. PUBLIC INFORMATION ACT NOTICE

- a. Bidders should identify those portions of their solicitation, which they deem to be confidential, or to contain proprietary commercial information or trade secrets. Bidders should provide justification why such material, upon request, should not be disclosed by FCPS under the Public Information Act, Title 4, General Provisions Article, Annotated Code of Maryland.
- b. Unless portions of a solicitation are identified as confidential, all records are considered public. A person or governmental unit that wishes to inspect a public record, or receive copies of a public record, shall submit a written or electronic request and direct it to the Office of Legal Services per FCPS Regulation 200-42.

40. FORCE MAJEURE

Force Majeure is defined as an occurrence beyond the control of the affected party and not avoidable by reason of diligence. It includes the acts of nature, war, riots, strikes, fire, floods, epidemics, terrorism, or other similar occurrences. If either party is delayed by Force Majeure, said party shall provide written notification to the other within 48 hours. Delays shall cease as soon as practicable and written notification of same provided. The time of contract completion may be extended by contract modification, for a period of time equal to that delay caused under this condition. FCPS may also consider requests for price increase for raw materials that are directly attributable to the cause of delay. FCPS reserves the right to cancel the contract and/or purchase materials, equipment or services from the best available source during the time of Force Majeure, and the vendor shall have no recourse against FCPS. Further, except for payment of sums due, neither party shall be liable to the other or deemed in default under this contract, if and to the extent that such party's performance of this contract is prevented by reason of Force Majeure as defined herein.

41. ETHICS POLICY

- a. The Board of Education of Frederick County has an Ethics Policy, which covers conflict of interest, financial disclosure and lobbying. All bidders are expected to comply with any and all Ethics Policies that may apply to them individually or as a business entity.
- b. All bidders should carefully review Board Policy 109, Ethics, which prohibits FCPS employees from benefiting from business with the school system.

42. NON-COLLUSION

- a. Bidder represents and certifies that prices for these services have been arrived at independently without consultation, communication, or agreement for the purpose of restricting competition or any matter related to such prices with any competitor or other bidder. Prices quoted in this bid have not been knowingly disclosed directly or indirectly to any competitor or other vendor prior to the opening of this bid.
- b. Bidder represents and certifies that it has not employed or retained any other company or person (other than a full-time bona fide employee working exclusively for the bidder) with the primary

intent to solicit or secure the contract.

43. CONFLICT OF INTEREST

The bidder will advise FCPS in writing as soon as possible, but not later than the date of award of the contract, of any known relationships with a third party, or FCPS employee or representative, which would present a significant advantage to one bidder over another bidder or present a conflict of interest with the rendering of products and services under this agreement.

44. EMARYLANDMARKETPLACE REGISTRATION

Contractors are required to register with www.eMarylandMarketplace.org within five days following notice of award. Maryland law requires local and state agencies to post award notices on eMaryland Marketplace. This cannot be done without the contractor's self-registration in the system. Registration is free. Failure to comply with this requirement may be considered grounds for default. It is recommended that any interested bidder register with eMaryland Marketplace regardless of the award outcome for this procurement as it is a valuable resource for bid notification for municipalities through Maryland.

FREDERICK COUNTY PUBLIC SCHOOLS (FCPS)
SPECIFIC TERMS AND CONDITIONS
SECTION II

1. SCOPE

FCPS will receive bids for snow removal services beginning with the Fall/Winter 2017/2018 season on a time and materials basis. The sites requiring these services are included in this specification package.

2. CONTRACT PERIOD

The initial contract term shall be effective from the date of award through September 30, 2018. The contract may be extended for two additional one-year terms from October 1, 2018 through September 30, 2019, and October 1, 2019 through September 30, 2020, at the discretion of the Board of Education with all terms and conditions of the original contract remaining unchanged. Bidders automatically accept the possibility of contract renewal as a condition of award.

3. PRICING

- a. All prices shall remain firm through the initial contract period.
- b. FCPS expects all vendors to provide year over year cost reductions recommendations.
- c. Price decreases are acceptable at any time, need not be verifiable, and are required should the contractor/producer/processor/manufacture experience a decrease in costs associated with the execution of the contract.
- d. Price adjustments from the contractor/producer/processor/manufacture for any/all items may be considered at renewal. The request is subject to approval by the Contracting Officer. The request must be submitted in writing at least 60 days prior to the renewal term and shall be accompanied by supporting documentation.
- e. Should the awarded vendor, at any time during the life of the contract, sell materials of similar quality to another customer, or advertise special discounts or sales, at a price below those quoted within the contract, the lowest discounted prices shall be offered to FCPS.

4. CONTRACT TERMS

- a. Additional or separate charges for preparation or travel time between sites are not acceptable. All general and administrative charges are to be included in the labor rates. Minimum rates are not acceptable. Billing must be to the nearest half hour.
- b. Occasionally new sites are added to the contract. The contractor(s) receiving award of the cluster into which the new school is located will be assigned this site. The terms and conditions of this bid will apply to any new sites. Refer to Attachment 2 for list of school sites.
- c. FCPS also retains the right to remove a site from the contract at any time and for any reason.
- d. After the contract(s) has been awarded, all bidders will receive a notice of award or non-award. In addition to supplying insurance certificates to the Purchasing Department, the awarded vendor(s) is required to complete and return to the Operations Department a Contractor Acknowledgment Form for each site awarded (Attachment 1).
- e. As Contractors are liable for damages caused by them in executing the contract, the contractor is responsible for leaving a written notice noting obvious damage either or to departing the premises or

within 24 hours after. Otherwise the contractor will be notified of said damage in writing with a request to rectify the situation in a timely manner. Refer to the General Conditions, Liquidated Damages, for additional information. Failure to repair or reimburse FCPS for the damage may result in the contractor's insurance carrier being notified, a citation for non-performance being added to their file, and recovery of the repair/replacement cost deducted from any final payments due the contractor.

- f. If circumstances warrant a contractor breaking the contract (i.e., retirement, illness) the purchasing specialist should be notified as soon as possible. Also, the contractor is requested to find a qualified substitute who carries insurance in the amounts required and who could take over their contract at the prices bid. If circumstances are unwarranted, the contractor may be required to pay the difference between the contracted cost and the new cost for the remainder of the contract term(s). Unwarranted cancellation of a contract will jeopardize future business with that vendor.
- g. If school personnel request you to perform services beyond the original scope of this bid, you must contact the Operations Department immediately to obtain approval prior to performing this service. Unauthorized services will not be paid. While it is essential that you work cooperatively with the school principals and custodians, we recognize that in order to minimize expenses some compromises are necessary. Our Operations Department is available to assist you in working through difficult situations that may occasionally arise with school personnel.
- h. Vendors must be able to be contacted during a weather event. Contact may be provided by pager, cell phone, landline and/or a back-up person that can reach the vendor. Answering machines do not meet this requirement.
- i. FCPS is not obligated to any purchase quantity or dollar amount under this contract.

5. BIDS FOR ALL OR PART

In addition to the base bid for award by school cluster proposal (1A/2A), alternate bids are being requested for award of all sites in the aggregate to one vendor proposal (1B/2B) and for a split award by geographic area to two vendors proposal (1C/2C). The reason for considering alternate bids is to minimize FCPS contract administration costs and to maximize cost savings. Lump sum proposals or prepayment terms will NOT be considered.

6. SITE VISITS PRIOR TO BIDDING AND POST AWARD

- a. Bidders are encouraged to familiarize themselves with the sites on which they enter bids. Although pre-bid site visits are not mandatory, increases in prices after the opening of bids shall not be acceptable as a result of not becoming familiar with the site conditions. A directory of school sites is enclosed in this bid package.
- b. The awarded vendor(s) will be provided with a roster of custodians and their direct phone numbers. It is mandatory that the awarded vendor(s) meet with the schools' lead custodians or principals to discuss the areas to be maintained, and to acknowledge specific site conditions and schedule of activities (i.e. site may be used after hours by church organizations, child care agencies, and the like) that may impact the scheduling of snow removal. The vendor(s) receiving award must complete the Contractor Acknowledgement Form (Attachment 1) for every school.

7. INVOICING COMPLETION

- a. The Operations Department will issue one purchase order to each awarded contractor covering the entire season. Each purchase order will include a beginning date, an ending date, and a maximum total purchase dollar value based on bid pricing. Approval to exceed the maximum dollar value of the purchase order requires pre-approval by the contractor from the Operations Department.

- b. Snow Removal Receiving Reports will no longer be used. The Lead Custodian or a school administrator will verify that the service was performed and notify the Operations Department of any issues or damage. FCPS retains the right to utilize security cameras installed at the schools to verify the time of arrival and departure of snow removal contractors. Intentional falsification of invoices will be grounds for termination of contract.
- c. Contractors shall provide a separate invoice for each school and should only bill twice a month, from the 1st of the month to the 15th and the 16th through the end of the month.
- d. Invoices will be paid within 30 days of the invoice date. Invoices that are backdated to the date of service will be returned for correction.
- e. Invoices must include the following information, or they will be returned and payment will be delayed:
 - Purchase order number
 - School name
 - Date(s) of service and the arrival and departure times.
 - Rate per hour to the nearest ½ hour per type of equipment, for snow removal service.
 - 1.) number of hours in operation for each type of equipment (state each separately).
 - 2.) total dollar cost for each type of equipment.
 - Price per pound of de-icer only; labor will not be paid for the application of de-icer.
 - 1.) number of pounds used;
 - 2.) total dollar cost for de-icer.
 - Some form of verification of the amount of de-icer used may be required prior to approval of invoice for payment.
- f. Invoices are to be mailed or emailed to:
Accounts Payable Office
Accounts.payable@fcps.org
Frederick County Public Schools
191 South East Street
Frederick, MD 21701
- g. Questions regarding payment status should be made directly to Accounts Payable, Christie Williams, Manager, 301.644.5049.

8. BONDS AND INSURANCE

- a. Neither bid bonds nor performance bonds are required. However, a copy of your company's last audited tax return and/or a letter of financial good standing from your bank or a bonding company may be requested to determine your company's financial stability.
- b. Insurance coverage in the amounts listed in the General Conditions is required to be in effect during the life of this contract.
- c. Insurance for this contract must now include coverage for fluid leaks. Successful contractors should contact your insurance provider when they receive the Notice of Award to make sure this coverage is either included in their general liability or added as a special endorsement. Failure to do so will not relieve the contractor of responsibility for any and all repairs and emergency Hazmat clean up charges related to any type of fluid spill.
- d. A contractor utilizing sub-contractors is responsible for either including the sub-contractors under their policy or requiring that the subcontractors have their own coverage and give FCPS evidence of such coverage. The cost of this coverage must be taken into account when calculating overhead costs. Insurance requirements are listed in the General Conditions.

- e. Failure to provide the final certificate of insurance will result in the re-award of the contract to the next lowest and responsible bidder.

9. PREPARATION OF PROPOSAL

- a. Due to possible changes and/or additions to the solicitation package, FCPS requests that bidders delay submission of their bid package until after the date of the pre-bid meeting or the date that questions are due to allow time for the possible issuance of an addendum. All changes will be processed through appropriate addenda.
- b. The submitted Proposal is to include the following forms completed:
 - i. Signature Page
 - ii. Statutory Affidavit and Non-Collusion Certification
 - iii. Certification of Compliance
 - iv. Forms of Proposal 1A and 2A, and/or Alternate Proposals 1B and 2B and/or 1C and 2C
 - v. Supporting documents, as requested.
- c. No separate costs for travel, mileage, overhead or miscellaneous are acceptable. All costs are to be included in the hourly rates. Separate labor charges for the application of de-icer will no longer be paid.

10. EVALUATION CRITERIA AND AWARD

- a. The process for determining which vendor(s) to consider for award may take the form of either a supplemental questionnaire or interview, and includes appraisals of various aspects of the supplier's business including capacity, financial stability, quality assurance, organizational structure and processes, and performance. This information includes responses to the Form(s) of Proposal.
- b. In addition to the base bid for award by school cluster proposal (1A/2A), alternate bids are being requested for award of all sites in the aggregate to one vendor proposal (1B/2B) and for a split award by geographic area to two vendors proposal (1C/2C). The reason for considering alternate bids is to minimize FCPS contract administration costs and to maximize potential cost savings. Lump sum proposals or prepayment terms will NOT be considered.
- c. Based on the information obtained via the evaluation, and in consideration of what is in the best interest of the FCPS, one or more vendors will be selected and sites of award assigned by mutual agreement.
- d. Incomplete or missing responses, or responses that do not follow the required format, including extraneous marketing materials or irrelevant information, will negatively affect the evaluation of a vendor.

11. AWARDED VENDOR'S PERFORMANCE EVALUATION

- a. The Contract Manager and Administrator shall confer periodically to discuss the status of the contract. Issues of noncompliance may arise throughout the contract term and shall be brought to the attention of the Contract Manager as they occur.
- b. The Contract Manager or Administrator may request multiple metrics, from the vendor, to evaluate contract performance. Metrics may include, but are not limited to:
 - i. Delivery
 - ii. Response time
 - iii. Backorders
 - iv. Quality of deliverables
 - v. Invoicing

- vi. Sales data (Contract data, non-contract data)
 - vii. Financial
- c. Where technical, construction or performance specifications have been identified in the bidding document, the contract administrator shall utilize these specifications as the basis of determining contract compliance.
 - d. If noncompliance occurs, it shall be documented in a timely manner, including actions taken and final resolution. Copies of the correspondence will be maintained in the Purchasing Department bid documents.
 - e. Issues of noncompliance will be handled on a case by case basis. This may include, but is not limited to, written correspondence, face-to-face meetings, and/or an agreed upon performance management plan. FCPS retains the right to terminate the contract, in whole or in part, if the noncompliance issue is not resolved to the satisfaction of FCPS.

12. CONTRACTOR'S AND SUBCONTRACTOR'S INSURANCE

FCPS requires insurance certificates evidencing the compliance of insurance requirements at least ten calendar days after receipt of the Notice of Award. The vendor will not commence work until a notice to proceed letter, or purchase order, is issued, nor will the vendor allow any subcontractor to commence work on their subcontract until the insurance required of the subcontractor has been obtained and approved.

a. Worker's Compensation

The vendor will procure and maintain, during the life of the contract, Worker's Compensation Insurance, as required by applicable State laws. In the case of sublet work, the vendor will require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees to be engaged in such work unless such employees are covered by the protection afforded by the vendor's Worker's Compensation Insurance.

b. Employers' Liability Insurance

The vendor will procure and maintain, during the life of the contract, Employers' Liability Insurance in the following amounts:

E.L. Each Accident	\$100,000.00
E.L. Disease - Each Employee	\$100,000.00
E.L. Disease - Policy Limit	\$500,000.00 each employee

The vendor will require any subcontractor to procure and maintain Employer's Liability Insurance during the life of the contract. It will be the responsibility of the vendor to ensure that all subcontractors comply with this provision, and the vendor will indemnify, and hold harmless, the Board of Education of Frederick County for the failure of the vendor, or any subcontractor, to comply with these provisions.

c. Commercial General Liability Insurance

The vendor will procure and maintain, during the life of the contract, Commercial General Liability Insurance including premises and operations, completed operations and products, on a per occurrence basis, with at least the following limits:

General Aggregate	\$2,000,000 per project
Products-Completed Operations Aggregate	\$2,000,000
Personal & Advertising Injury	\$1,000,000 each occurrence
Each Occurrence	\$1,000,000
Fire Damage	\$50,000
Medical Expense	\$5,000 any one person

The "X, C, U" Coverage for explosion, collapse, and underground property damage shall not be excluded from the policy.

Completed operations liability coverage shall be in force for one year after completion of work.

d. Scope of Insurance and Special Hazards

The insurance required in C. and E. will provide adequate protection for the vendor and subcontractors, respectively, against damage claims which may arise from operations under the contract, whether such operations be by the insured or by anyone directly or indirectly employed by them and, also against any of the special hazards which may be encountered in the performance of this contract as enumerated in C. above. Insurance coverage required under C. above shall specifically include property damage caused by conditions otherwise subject to exclusions "X, C, U" (Explosion, Collapse or Underground Damage) as defined by the National Bureau of Casualty Underwriters. Exceptions: contracts that do not require excavation or underground work are not required to have the above "X, C, U" coverage.

e. Comprehensive Automobile Liability

The vendor shall maintain Comprehensive Automobile Liability Insurance including all automotive equipment owned, non-owned and hired, operated, rented, or leased. Minimum limits of Automobile Liability Insurance shall be:

Bodily Injury	\$1,000,000 per person/\$1,000,000 accident
Property Damage	\$1,000,000 each occurrence, or
Combined Single Limit Bodily Injury and Property Damage Liability	\$1,000,000

f. Subcontractor's Insurance

The vendor will either:

- i. Require each of their subcontractors to procure and maintain, during the life of the subcontracts, Liability Insurance of the type and in the same amounts as specified above; or
- ii. Insure the activities of the subcontractors in their own policies. It will be the responsibility of the vendor to insure that all subcontractors comply with this provision, and the vendor will indemnify and hold harmless the Board of Education of Frederick County for the failure of the vendor, or any subcontractor, to comply with these provisions.

g. Builder's Insurance

FCPS shall provide and maintain Builder's Risk Protection.

h. Proof of Carriage of Insurance

The vendor will furnish FCPS with certificates showing the type, amount, class of operations covered, effective dates and dates of expiration of policies. Such certificates also shall contain substantially the following statement: "The insurance covered by this certificate will not be cancelled or materially altered, except after thirty days written notice has been received by FCPS."

i. Additional Insured

The Owner, Board of Education of Frederick County, the Frederick County Government, and other entities stipulated by the Owner, shall be named as additional insured on all vendor's policies, other than Worker's Compensation Insurance policy. The vendor's insurance will be primary and non-contributory to any insurance carried by the Board of Education of Frederick County or other entity. Waiver of subrogation applies to above policies in favor of the certificate holder. Insurance providers must have an AM Best Company rating of at least A-/VIII.

13. INSPECTION OF SITES

All visitors must report to and register in the main office if work is accomplished during normal school hours. Each bidder should visit the site(s) and become informed fully as to the condition under which the work is to be done. Failure to do so will not relieve a successful bidder of their obligation to supply all material and labor necessary to carry out the provisions of the contract documents at the price(s) bid.

14. PROTECTION OF WORK AND PROPERTY

- a. The awarded vendor(s) will be held responsible for and shall be required to make good, at their own expense, any or all damages done or caused by them or their workers in the execution of the contract. The vendor will notify the Contract Administrator of their actions as soon as possible.
- b. The vendor will be solely responsible for initiating, maintaining and supervising all safety precautions and programs in the performance of this contract and will be responsible for observing the safety regulations of MOSHA, OSHA, and local life safety agencies, applicable laws, ordinances, regulations and orders of governing authorities having jurisdiction for the safety of persons and property to protect them from damage, injury or loss. Any damage, loss or injury resulting from the failure of the vendor to safe guard their work and FCPS property will be borne by the vendor.

15. SPECIFIC PERFORMANCE REQUIREMENTS

- a. **PLEASE DO NOT:**
 - Block sidewalks
 - close/block handicap ramps or access
 - block fire hydrants
 - use or take up parking spaces at any time at any school site — YOU MUST move snow and ice as far away as possible to allow for maximum parking.
 - perform services or use materials in areas that are obviously the responsibility of the school; do not remove snow or de-ice on weekends unless necessary for school opening the following school day.
- b. **PLEASE DO:**
 - Meet with the lead custodian and/or school principal to discuss removal priorities and inspect the awarded sites prior to removal of first snow especially if snow stakes have not been installed by the end of October.
 - Maintain all equipment used to execute the contract in satisfactory and safe operating condition
 - Spread de-icing material on parking lots to keep them from freezing. We retain the right to compare salt usage for the same weather event among different sites and/or contractors. Distribution of excessive amounts of salt or documenting of excessive labor hours are subject to negotiation and may result in reductions in payment from submitted invoices. If a contractor continues to over-salt or over-bill, FCPS will consider this a failure to perform.
 - Remove snow as early in the morning as possible, before school starts to prevent icing.
 - Use common sense when relocating snow and ice from parking areas. Remember if there is an emergency at any FCPS site, access for emergency vehicles is critical.
 - Request snow stakes be installed by the school if they have not been installed prior to weather events—if they have not please contact the school principal or John Carnahan at phone (301) 644-5179, facsimile on (301) 644-5109, or email to john.carnahan@fcps.org.
 - Report damages as soon as practical to the lead custodian/school administration/contract administrator; damages that are obviously the fault of the contractor's employees but are not repaired will be deducted from a subsequent payment to the contractor.
 - Pay special attention to areas that are prone to re-freeze.
 - Obtain information on the individual school's calendar for building use and fuel deliveries during all holidays. Snow removal services during the holiday are dependent upon this

information. Contractor must coordinate this information with building administrator at least one week prior to a holiday and throughout the break, as necessary.

- **Submit invoices to the Accounts Payable Office within 30 calendar days of the performed service. Invoices that are not received within 30 calendar days of service will have a 1% penalty deducted from the invoice payment. This penalty will not be subject to negotiation or reimbursement.**
 - Vendors should plow only under the direction of the FCPS Custodian or Operations staff. Other groups using FCPS buildings after hours and on weekends do not have authority to authorize snow plowing of FCPS property. However, FCPS will continue to provide snow removal services for outside user groups, including churches, county sponsored recreation centers and the like.
- c. The timing of snow removal is:
- 1) If schools are on a normal schedule:
 - Elementary Schools where child care program is operating (start time is 6:30 a.m.). Consult your schools for specific start times and the presence of a child care program.
 - Central Office opens at 6:00 a.m.
 - High School (start time is 7:30 a.m. for most schools);
 - Middle School (start time is 8:00 a.m. for most schools);
 - Other Elementary Schools (start time is 8:30 or 9:00 a.m. for most schools). If there is a delay in opening time, the same order as noted above should be followed.
 - 2) If school is cancelled, but offices and school administrators are required to report, the same as noted above should be followed. It is imperative that an open land and parking areas for school administrative staff be plowed on such occasions, since staff will be reporting. Administrative buildings are normally are staffed as early as 6:00 to 6:30 am.
 - 3) If schools and/or offices are closed completely, any order of removal is acceptable. Discretion should be used as to when to remove snow/ice. It is imperative to have schools and offices open on time for the next working day, but they should not be cleared too early and thus unnecessarily require subsequent removal in order to prepare for opening.
- d. The order of removal at a site is:
- driveways and bus loading and unloading areas;
 - parking lots;
 - fuel oil tank areas
 - playgrounds, if applicable – (de-icing material will not be applied to playgrounds).
 - sidewalk removal - this service will be performed only if you are requested to do so by John Carnahan. You may not perform this service if requested by a school.
- e. Contractors are responsible for keeping updated during storms. Decisions are made by 5:30 a.m. for morning closings and delays and, whenever possible, by 11:30 a.m. for early closings. Occasionally, only portions of the school system will be closed or delayed. Announcements may include the term “feeder” along with the name of a high school. This means that all the schools that matriculate or “feed” into that high school are affected.
- f. Occasionally, inclement weather or other safety or health conditions require us to close or delay all or some schools. This decision involves careful evaluation of a variety of factors in a compressed time period. Whenever possible, decisions are made by 5 a.m. for morning closings and delays and by 10 a.m. for early closings. See Regulation 400-2. FCPS does not routinely announce that schools are open or operating on schedule.
- g. FCPS notifies about 30 local and regional TV and radio stations plus our own media outlets. It is not possible to guarantee that the news media will announce this information promptly or accurately. For the fastest, most reliable information, check the following:

- Internet/Phone: www.fcps.org
 - Sign up for FindOutFirst email and
 - Emergency-only phone text messages.
 - Facebook: FCPSMaryland
 - Twitter: @FCPSMaryland
 - Television: Cable Channel 18 (Frederick area)
 - Mobile App: FCPS, free via Google play or
 - App Store
- h. FCPS will use color codes to help staff understand their responsibilities when schools close due to inclement weather. There are five color codes: green, orange, blue, yellow and red. The codes apply only to emergency or weather-related school status changes.

Code green will apply when schools must unexpectedly open late or dismiss students early. During a code green status, all 12-month employees report to work on time, while 10- and 11-month employees adjust their schedules to reflect the delay or early dismissal.

Code orange will apply on days when schools are closed due to inclement weather or other emergency. Code orange signals that all 12-month employees report to work on time, while 10- and 11-month employees do not report to work.

Code blue will apply when schools are closed due to inclement weather for students and 10- and 11-month employees. Code blue signals that 12-month employees report to work but may request liberal leave. During code blue, emergency personnel must report and may not use liberal leave.

Code yellow will apply when schools and offices are closed to students and employees except emergency personnel, who must report to work. During code yellow, liberal leave is not authorized for emergency personnel.

Code red signals that schools and offices are closed to students and all employees. When code red is in effect, all FCPS buildings are closed to all personnel and others.

CERTIFICATION OF COMPLIANCE

1. All Contractors, subcontractors or vendors must abide by FCPS Board policies and regulations while working on FCPS property.
2. Maryland Law requires that any person who enters into a contract with a county board of education may not knowingly employ an individual to work at a schools (or FCPS facility) if the individual is a registered sex offender. Please reference §11-113 of the Criminal Procedure Article of Maryland Code for penalty.
3. Be advised that individuals who are registered sex offenders are not eligible to work on any FCPS project. The Contractor must initially check the Maryland Department of Public Safety & Correctional Services' MARYLAND SEX OFFENDER REGISTRY and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well.
4. In the event that a registered sex offender is discovered to be working on a FCPS project, whether through employment by the prime Contractor, subcontractor or vendor, the site superintendent will immediately remove the individual from the premises and permanently terminate his work assignment. FCPS may terminate this contract as a result if the Contractor is unable to demonstrate he has exercised care and diligence in the past in checking the Maryland registry.
5. Effective July 1, 2015, amendments to §6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor or vendor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:

 - c. A crime of violence as defined in §14-101 of the Criminal Law Article of the Maryland Code or any other State

By my signature below, I affirm under penalties of perjury that the contents of this Certification of Compliance are true to the best of my knowledge, information and belief.
