ADDENDUM 1
RFP 18M5, Snow Removal Services

DUE DATE: September 19, 2017, at 2:00 P.M.

As a result of the pre-bid meeting held September 7, 2017, please be advised of the following additional information and clarifications:

1. There are no changes to the specifications.
2. In addition to listing the vehicles that a vendor has access to for pushing snow (such as loaders, pick-ups, etc.), vendors are requested to list the complete hourly charge for equipment and labor for Single Axle, Tandem and Tri-Axle dump trucks, as part of the Form(s) of Proposal 1A (page 38), 1B (page 41), and 1C (page 44). While removing snow off site is rare, a major snow event may require offsite hauling at some school sites.

Sincerely,

Billie Laughland
