

An aerial photograph of Oakdale Middle School and its surrounding area. The school buildings are in the center-right, with a large parking lot to their right. A road runs diagonally from the bottom left towards the center. A yellow line outlines the school's property. Within this property, a red line highlights a rectangular area at the top and an irregular area at the bottom. A blue line highlights a grassy area to the left of the school buildings. A text box is positioned in the upper left quadrant of the school property.
