ADDENDUM # 4

Bid 18T8, Vehicle Parts and Supplies

REVISED DUE DATE AND TIME: FCPS Main Lobby, Monday, April 30, 2018, prior to and time stamped no later than 2:00 P.M.

This addendum is being issued to provide additions, corrections, clarifications, and answers to certain questions raised referencing the original bid packages and any resultant contracts for the above bid.

1. Question: How many Ford Vehicles are currently in the fleet? **Answer: Currently, we have 110 Ford Vehicles in our fleet.**
2. Regarding discounts, if a rebate program allows for a negative PAC on any category of items, how should we show this percentage? **Answer: Please show the percentage as 0% if these programs allow you to provide the product below your cost.**
3. Clarification – Page 40, Form of Proposal – Filters: Two of the filters, lines (38 & 39) are Diesel Particulate Filters. They may not be eligible for a rebate program, thus would not allow for the same percentage above cost as the other filters listed. These line items have been removed from the Form of Proposal.
4. Delete – Page 43, Form of Proposal – Batteries.
5. This Addendum includes the following attachment:
 - a. Revised Form of Proposal - Filters (1 page)

Thank you for your interest in bidding with Frederick County Public Schools and we apologize for any inconvenience this may have caused.

Sincerely,

Shane Ryberg
