## Bid # 19MISC1 Carrier Questions and Answers

*Frederick County Public School responses to questions raised in the RFP in red font below.*

**1. Who is the benefits broker? (Is it Trion in King of Prussia?)**

Trion is the benefits broker. This account is primarily run from the Towson, MD office in collaboration with Trion in King of Prussia, PA. See broker office locations below.

Trion Group, a Marsh & McLennan Agency, LLC  
502 Washington Ave, Suite 250, Towson, MD 21204

Trion Group, a Marsh & McLennan Agency LLC  
2300 Renaissance Boulevard, King of Prussia, PA 19406

**2. Is the broker going to be doing the carrier analysis and decision on who is awarded the business?**

The broker (Trion Group, a Marsh & McLennan Agency, LLC) will be conducting the RFP analysis. Frederick County Public Schools Life/Disability Subcommittee will review score each carrier's proposal based on the criteria outlined in the Scoring Criteria and Award section of the RFP. The subcommittee will decide which carrier is awarded the business. The subcommittee submits a recommendation to the Board of Education for final approval on Wednesday, March 13, 2019.

**3. What will the enrollment method? Will it be an active enrollment where the communication will be that all employees need to make an active election or waiver of voluntary benefits offered?**

The enrollment method will be held during open enrollment and will most likely be marketed and communicated by Frederick County Public Schools. Enrollment in these benefits will be voluntary on the part of the employees, else waived.

**4. Will the voluntary benefits be offered the same time as the core benefits like medical, dental and vision?**

Yes, voluntary benefits will be offered at the same time as the core benefits like medical and dental.

**5. Will the voluntary benefits be enrolled on the same system as the core benefits?**

Life insurance can be managed on the same enrollment system. Frederick County Public Schools is not yet sure how the voluntary disability program can and will be managed.

**6. Please confirm the required rate guarantee. In most RFP areas it says 3 years. In one section of the RFP it says 7/1/2019 through 6/30/2023 which would be 4 years.**

Should read 7/1/2019 through 6/30/2022

**7. Please provide the Supplemental Life Policy.**

FCPS does not have supplemental employee life insurance currently.

**8. Please provide a recent billing statement for all lines**

**9. Please provide the current Supplemental Rates for EE Supp, Spouse Supp, Child Supp, and AD&D if applicable.**

These were already provided in the RFP on tab labeled 'Current Life-AD&D Benefits'. FCPS does not have supplemental employee life currently.

**10. Please provide the following experience data:**

**a. An individual claim listing going back to the original effective date with standard (7/1/2014).**

We will provide a de-identified claim list.

**b. If possible please provide premium and claims data on a monthly basis**

We have requested the data in this format and will provide as soon as possible.

**c. Please provide Experience data separately for Basic Life, Supplemental Life, Dependent Life, and Supplemental Dependent life**

We already provided this data in the RFP

**d. If possible please provide Active and Retiree experience separately.**

We have requested the data in this format and will provide as soon as possible.

**e. Amendment 5 states that the \$.076 and \$.994 rates are in effect 7/1/2015. What were the rates for the year prior? Did the plans change effective 7/1/2015?**

\$.176 composite

**11. When was the last Supplemental Life open enrollment?**

The last dependent supplemental life open enrollment was on  
FCPS does not have employee supplemental life in place currently.

**12. Can you confirm that the retiree classes are open?**

Confirmed, the retiree classes are all open with the exception of Class 3 that only has one retired superintendent and is closed to future participants.

**13. Retiree class 5 is for disabled retirees under age 65. They have a \$400,000 maximum benefit. Retiree class 6 is disabled over age 65 with a max benefit of \$50,000. Can you confirm that upon reaching age 65 disabled retirees would move from class 5 to 6 and potentially have their benefit reduced to \$50,000?**

Confirmed, retirees moving from class 5 to class 6 would have their benefit reduced.

- 14. Please confirm that the schools have both Basic Dependent life and Supplemental Dependent Life. From my understanding Basic Dep Life is \$4k/\$2k, then supplemental life is \$25k-\$50k for spouses and \$10k for children.**

No, schools only have supplemental dependent life that is 100% employee paid. This supplemental dependent life policy is for the amount of \$4,000 for a spouse and \$2,000 for a child if elected. FCPS is proposing an enhanced supplemental dependent life offering for 2019. FCPS is proposing a choice of \$25,000 or \$50,000 spousal benefit offering for 2019. FCPS is proposing a \$10,000 child benefit offering for 2019. Bidding carriers must be able to administer the existing \$4,000 spousal benefit and \$2,000 child benefit for those employees that will be grandfathered into this benefit and do not want to elect the higher benefit amounts proposed for 2019.

- 15. Please provide a census that shows Supplemental Life Elections for Employees, Spouses, and Children. There is a group labeled Supp Life in the census. However they are all retirees and the benefits are matching their basic life plans. Retirees should not be eligible, I think this is a typo and the Supp population is missing.**

A revised census will be distributed that will clarify the different classes and elections. Currently in the census, the Benefit Plan field "DEP LFE" indicates dependent life coverage for spousal and child. The Plan description field "Supp Life" with Benefit Plan "RETLFE" indicates retiree supplemental life coverage for those retirees in Class 4 who wish to buy up from the base \$25,000 benefit provided by FCPS. This supplemental retiree benefit is 100% retiree paid. Bidding carriers must quote this supplemental life benefit offered to retirees in their proposal.

- 16. The current policy states that there is no waiver of premium for this group, but on the census there are individuals labeled as "Leave/Waiver". Are these individuals on waiver of premium? If not, what does the "Leave/Waiver" label indicate?**

This is for internal only and does not refer to life insurance. It is an indicator for those on leave who have been granted a waiver status for their position.

- 17. What is the participation percentage for retirees who elected to continue coverage on a contributory basis (Class 4)?**

2,216 total retirees in Class 4. Of these, 1,086 retirees or 49% elected contributory supplemental coverage above the \$25,000 base provided by the school district. An updated census will be provided clarifying the classes and benefits.

- 18. Since the life insurance plan does not include an insured Waiver of Premium benefit, for how long is coverage continued on a premium paying basis for disabled insureds? Please identify on the census the disabled insureds who will transfer to the new carrier.**

The only individuals covered for disabled insured are those employees who meet the Disability Retirement definition, they are continued until age 65 and then change over to the retiree life.

- 19. Will the life insurance plan be self-administered/self-billed by the employer, or will the insurance carrier be responsible for maintaining individual employee records and for generating monthly invoices?**

FCPS does self-administer/self-bill this monthly.

- 20. Please provide a description of your claims submission process; including such items as information gathering, submission, follow up and resolution.**

The claims are filed by FCPS directly to the carrier, through their portal or faxed. The death certificate, police report (if applicable) and claim is provided. Additional information if needed is managed by the carrier with the claimant.

- 21. Please provide the details of your current portability and conversion administration process.**

N/A

- 22. Do you currently use a TPA or software vendor for you benefits enrollment and eligibility? If so, can the name of the vendor be released?**

PeopleSoft enrollment / internal process

- 23. Please describe your Evidence of Insurability process; including such things as submission, follow-up and notification.**

There is none as employees may only enroll during hire date or open enrollment, or add during life qualifying event.

- 24. Please describe any established file transfers you have in place today.**

We do not transfer files currently

- 25. What's the best way to communicate with your employees during enrollment and throughout the year?**

Employee newsletter – FCPS Communication –emails. Sometimes mailings.

- 26. Are current beneficiary designations held electronically or on paper?**

- a. Who holds current beneficiary designations?  
Most are now electronic but there are some still on paper
- b. What is the process to share beneficiary information with the current carrier?  
We provide at the time of death.

- 27. Life:**

- a. Are Renewal rates available? The renewal rates are not available.
- b. The RFP is asking the new carrier to separate Active and Retiree experience. Can Standard provide their experience split by Actives and Retirees? The experience is not split out between actives and retirees currently.  
Provide historical monthly Lives, Volumes, and Premiums since inception with Standard of 7/2014. We have requested the data in this format and will provide as soon as possible.
- c. Provide an individual Life claim listing back to 7/2014. Provided as an attachment to this amendment.
- d. Confirm Life rates have remained unchanged since inception with standard of 7/2014.

- e. Standard Life experience is showing significant premium increases of +12% and +38% for each year. Please provide an explanation. **Unfavorable plan experience**
- f. Confirm there is a GI of \$400,000 for the Basic Actives plan design. **Confirmed**
- g. Based on page 8 of the Standard cert, coverage will be continued if a Member is Sick or Injured if premiums are paid. Is there a time or age limit for how long Premium Continuance will apply or is it unlimited? **Unsure**
- h. For Class 4 Retirees, what percentage or how much of the benefit is contributory? **Retirees pay 100% of the supplemental plan to buy up from the \$25,000 provided by the school district. The initial \$25,000 is 100% employer paid.**
- i. Confirm Class 4 Retirees and Class 5&6 Disabled Retirees are open classes. **Confirmed open**
- j. The Retiree census is showing a Life row and a Supp Life row for employees. The Life Cert does not show a Supp Life plan however. Please clarify. **Retirees have the option to buy up an additional \$25,000 from the \$25,000 issued by the school district.**
- k. Would the School accept Retiree step rates or is it a requirement to offer a composite Retiree rate? **A composite rate is desired**
- l. Would you consider reducing the Basic Life benefit from 2x to 1x in conjunction with offering the first time Voluntary Life plans due to participation concerns? Would a quote still be accepted if we did not quote the requested first time Voluntary Life plans? **No, changes to the currently Basic Life benefits will not be considered.**

**28. Disability:**

- a. Per RFP, we are being asked to quote STD plan for:
  - i. Employees ineligible for the SLB (Sick Leave Bank) program or opting out of the SLB program; and
  - ii. Employees participating in the SLB program
- b. Who would be considered ineligible for SLB program? What are the guidelines/rules/scenarios for “opting out” of the program? **Employees who do not have enough hours to contribute to the SLB would be ineligible per the SLB requirements. Employees who are in a waiting period for the SLB would be considered ineligible.**
- c. We will require a revised census showing:
  - i. Which group each ee is in (FCTA, FCASA, FASSE) and an indicator of whether or not they are enrolled in the program.
  - ii. We will also require the number of days in each employee’s sick bank.

**29. Regarding the STD proposed plan, option 2: The RFP indicates to include those employees participating the in the SLB program; however should we include those employees who are not eligible or do not elect to participate in the SLB program in this option?**

**The STD program will need to be offered to all employees. Some employees may enroll in the sick leave bank, therefore their STD benefits would need to be offset by or begin after their sick leave is exhausted. For those employees who are ineligible for the sick leave bank or opt out of the sick leave bank, the same STD program will still be offered except there will be no offsets or exhaustion of sick leave applicable.**

## Pre-Bid Meeting

**30. For the Optional Life / Supplemental Life Plan, describe current enrollment process and how employees provide evidence of insurability?**

Employees enroll at time of hire or at annual open enrollment. Optional Life coverage includes dependent coverage for a spouse or children. There is no evidence of insurability needed. Optional Life for retirees: BOE first \$25K then the retiree can elect optional coverage continue up to \$50K.

**31. Enrollment System**

Basic Life Insurance and Optional Life Insurance will be on the current enrollment system. Since the voluntary short-term disability will be a new product, FCPS is undecided on how it will be implemented. FCPS plans to discuss short-term disability enrollment with the awarded carrier.

**32. Are you able to provide additional information about the core system of benefits?**

FCPS uses PeopleSoft for enrollment. Employees elect benefits at each open enrollment. There are customization limitations with PeopleSoft.

**33. Open Enrollment Process**

FCPS sends out notifications to employees. Employees can go to the website and enroll online and access materials. Employees enroll their dependents at the same time. Employees confirm their elections online. FCPS required streamlined products that go hand-in-hand with their open enrollment process.

**34. Life claims process: how is current carrier notified?**

Employees or beneficiaries contact benefits office directly. Claims are filed through current vendor's online portal or the information can be faxed. Typically, the claim is submitted online with attached documents.

**35. Who maintains information on the beneficiaries**

FCPS maintains beneficiary information in the form of electronic records. If employees have been employed with FCPS for a long time, or are retirees, it is possible that the information is still in a paper version. Some retirees have paper versions because they no longer have access to electronic format.

**36. Life Plan design changes?**

There have been no recent changes to the life insurance benefits. Cost sharing for retiree life Class 4 has changed in past with addition of the optional life buy-up from \$25,000 to \$50,000 from the base BOE paid benefit of \$25,000. This RFP requests optional life options for active employees effective 7/1/2019. This will be a new benefit for FCPS in 2019.

**37. Sick Leave bank administration**

FCPS is not currently looking for sick leave bank administration.

**38. How many employees are eligible for sick leave bank**

All active employees are eligible for sick leave bank. There are waiting periods for some employees depending on the employee classification (this is specified in the RFP Excel Workbook). Employees can choose whether or not they wish to participate in the sick leave bank. Employees that opt into the sick leave bank must donate one day per year. Additional sick leave bank census information will be provided in an addendum.
