PURPOSE OF PRESENTATION: Staff has reviewed the attached bid and recommends approval by the Board of Education of Frederick County.

BACKGROUND/SUMMARY: This recommendation is to establish a contract for the distribution and purchase of various food products to be utilized by the Food and Nutrition Services Department and other K-12 Public Agencies.

In 2018, Frederick County Public Schools (FCPS) welcomed the opportunity to become the Lead Agency on behalf of U.S Communities for Food Products and Distribution for K-12 and Other Public Agencies. FCPS is currently using U.S Communities Contract 2014-39, which this solicitation will be replacing upon May 30, 2019 expiration. U.S Communities reimburses Lead Agency districts for their time on the solicitation and contract management.

RFP 19FS1
FOOD PRODUCTS AND DISTRIBUTION FOR K-12 AND OTHER PUBLIC AGENCIES

FACT SHEET

- A. **Overview:** This recommendation is to establish a contract for the distribution and purchase of various food products to be utilized by the Food and Nutrition Services Department and other K-12 Public Agencies. Proposals were opened on November 1, 2018.

1. **Bid participation:**

52 proposals downloaded
3 companies submitted proposals

2. **Bids were received from:**

All American Poly (Piscataway, NJ)
Premier, Inc. (Charlotte, NC)
Seattle Gummy Company (Seattle, WA)

3. **Other Facts:**

- Frederick County Public Schools (FCPS) was the lead agency for this solicitation which will be utilized by multiple school districts around the United States.
- FCPS will be reimbursed quarterly from U.S Communities for time spent on the solicitation and contract management.
- The RFP evaluation was a two-step process where technical and price proposals were scored. Evaluators unanimously agreed that the proposal from Premier Inc. was the most favorable based on product offering, service capabilities and national capabilities.
- Proposals from Seattle Gummy and All American Poly were not considered for award during evaluation due to incomplete bid responses. Both companies failed to demonstrate a breadth of product offerings to match contractual needs.
- FCPS will save roughly \$10,000 across the market basket of items.
- The contract will be administered by Robert Kelly, Senior Manager, Food and Nutrition.

4. **Source of Funding:** FY19 Approved Food and Nutrition Services Operating Budget and contingent upon Board approval of FY20, FY21 and FY22 Food and Nutrition Services Operating Budgets.

-
- B. **Recommendation:** Staff recommends that RFP 19FS1, Food Products and Distribution for K-12 and Other Public Agencies, be awarded to Premier, Inc. (Charlotte, NC), per the attached bid tabulations.
