ADDENDUM 1
RFP 20MISC1, Environmental/Industrial Hygiene Services

DUE DATE: October 29, 2019, at 2:00 P.M.

As a result of the pre-bid meeting held October 15, 2019, please be advised of the following additional information and clarifications:

1. On page 27, 9. Preparation of Proposal, item iii, add the following to the list of form to be completed:
   - Vendor Conflict of Interest Disclosure Form
2. On page 30, 14. Post-Award Ordering Procedure, item a., please replace $25,000 with $50,000.
4. On page 45, Item 6., please replace “sample reports written during the 2013-2015 time period” with “sample reports written during the 2016-2018 time period.”
5. Clarification: Page 28 of the RFP says: “If approved, cost proposals will be evaluated on a weighted basis. 30 total points will be awarded with the maximum points given for the lowest overall calculated costs.” How does FCPS intend to calculate the overall cost?

   FCPS will utilize previous projects and plug the submitted costs into those calculations to determine lowest cost status. A weighted average will be used based off the outcome to determine cost scores for the selected vendors.

6. Clarification: FCPS makes no guarantee that any buildings would require full hazmat survey services from an awardee. Our best estimate, at this time, is that we may have need for 1 – 5 buildings during the terms of this contract.

Sincerely,

Bill Meekins
