In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

- (A) Contracts for more than the simplified acquisition threshold currently set at \$250,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement.
- (C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous.

These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the

open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

There will be one dedicated ATC for each high school. The Services will start the first day of the fall sports practice schedule and will conclude at the end of the last spring scheduled game. Services of the ATC will be for an estimated average of 25 hours per week, per school. Specific times may vary by school, scheduled school holidays, and season. Weekend and evening work will be required on a school specific basis. Lengthened or shortened daily hours will be agreed upon by the school based Athletic Director and the assigned ATC on a school specific basis in order to maintain the average time commitment of 25 hours per week per school. The following home games will always be covered: JV and Varsity football and boys' lacrosse games. Special events will typically be covered if sponsored by FCPS (not individual school) and covered during a regularly scheduled and agreed upon time commitment.

Covered events include:

- County Golf Championship
 - Cross Country County Championship
 - County Fall Cheerleading Championship
 - County Unified Tennis Tournament
 - County Indoor Track Championship
 - County Diving Championship
 - County Swimming Championship
 - County Winter Cheerleading Championship
 - County Wrestling Tournament
 - County Unified Bocce Tournament
 - County Outdoor Track Championship
 - County Tennis Championship
 - County Unified Track and Field Meet
- Provider shall conduct criminal background checks and maintain proof of current NATA certification and State of Maryland Licensure in order to ensure that its employees assigned to FCPS's schools have the proper skills, qualifications, and training to perform the duties described herein. FCPS reserves the right to require additional investigation at the expense of FCPS.

While on site at each school, the ATC will be available during a schedule agreed upon with the Athletic Director, to facilitate transition of the care of each injured student athlete to the student's physician, a team physician, emergency medical personnel, an emergency room physician, or an orthopedic specialist, as appropriate.

Provider shall perform training duties according to the following Hierarchy of Medical Decision Making on site/sideline:

- The ATC has the final decision regarding care needs.
- Other than the ATC, no parent or non-team physician may make field decisions unless cleared in advance or in conjunction with, the coach (when on the field), the Principal/designee, or the FCPS Coordinator of Athletics.

Return to play:

- Any injured student athlete who has been restricted from practice or play by a physician must be cleared by that physician in writing prior to return to the activity.
- Any student athlete who has been restricted by FCPS's team coach or ATC from practice or play and referred to a physician for care may return to play only after; (1) the ATC receives written documentation from that physician that the student athlete may return to play, including any applicable limitations, and; (2) the FCPS's team coach consents to the student athlete's return to play. If a physician referral is made but the student athlete's parent or guardian is unwilling to seek such care, the parent or guardian must provide the ATC trainer with his or her written consent for the student athlete's return to play, accompanied by a written release of both FCPS and Provider, and their respective agents and employees, from any liability related to such return to play. In such a case, the ATC shall make the final decision regarding any return to play.

FCPS may request additional ATC services for special events. Generally, such non-covered events will draw competitors from outside Frederick County, and individual school teams, not sponsored by FCPS. Examples of non-covered events include:

- CMC Championships
- MPSSAA Regional Tournaments/Championships
- Summer Camps/Activities

b. Acute Injury Evaluation and Mild Traumatic Brain Injury Care:

- The ATC will conduct on-site, acute injury evaluation on all injuries occurring while at home contests and determine based on evaluation the appropriate plan of care (i.e. monitored home care, hospital referral, etc.).
- If the initial injury occurred at an away contest, the ATC will contact the parents to determine what actions were taken and will determine the appropriate plan of care from that point.
- The ATC will coordinate with the athlete's primary care physician on any and all follow up care and treatment. If the athlete is not referred to his/her physician, the ATC will perform all follow up care necessary operating under the Medical Director.
- The ATC will utilize all information collected from evaluations, physicians, and testing to make the final decision regarding the athlete's gradual safe return to play (RTP), activity and/or competition.
- The ATC will coordinate with the athletic director to make sure all FCPS/MPSSAA/MSDE Heat Acclimation procedures are followed.
- The ATC will coordinate with the athletic director, and appropriate staff, to make sure all FCPS/MPSSAA/MSDE concussion protocols and procedures are followed, including "return to play" and "return to learn."

FCPS will provide the following:

- Purchase and provide all first-aid supplies.
- Provide and maintain adequate and acceptable space for use as an athletic training area at each school.
- Grant Provider exclusivity as supplier of athletic training services to each of the high schools covered by this agreement. This condition is to include, but not to be limited to, the display of banners and clothing at school functions, program advertising, schedule cards, and program ads, etc.
- FCPS shall obtain consent from each student athlete's parent or guardian for the ATC to share medically based information with the student athlete's physicians, therapists involved in providing treatment and emergency response personnel in the field.

RFP 22MISC10, ATHLETIC TRAINER SERVICES

FREDERICK COUNTY PUBLIC SCHOOLS

CERTIFICATION OF COMPLIANCE

1. All Contractors, subcontractors or vendors must abide by FCPS Board policies and regulations while working on FCPS property.
2. Maryland Law requires that any person who enters into a contract with a county board of education may not knowingly employ an individual to work at a school (or FCPS facility) if the individual is a registered sex offender. Please reference §11-113 of the Criminal Procedure Article of Maryland Code for penalty.
3. Be advised that individuals who are registered sex offenders are not eligible to work on any FCPS project. The Contractor must initially check the Maryland Department of Public Safety & Correctional Services' MARYLAND SEX OFFENDER REGISTRY and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well.
4. In the event that a registered sex offender is discovered to be working on a FCPS project, whether through employment by the prime Contractor, subcontractor or vendor, the site superintendent will immediately remove the individual from the premises and permanently terminate his work assignment. FCPS may terminate this contract as a result if the Contractor is unable to demonstrate he has exercised care and diligence in the past in checking the Maryland registry.
5. Effective July 1, 2015, amendments to §6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor or vendor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:
 - a. A sexual offense in the third or fourth degree under §3-307 or §3-308 of the Criminal Law Article of the Maryland Code.
 - b. Child sexual abuse under §3-602 of the Criminal Law Article of the Maryland Code or any other State; or
 - c. A crime of violence as defined in §14-101 of the Criminal Law Article of the Maryland Code or any other State
6. With the passing of Maryland Law MD. Code, Educ. 6-113.2, employers of all contracted staff must obtain background information relating to child sexual abuse or sexual misconduct. This means that all contracted staff having direct contact with students must meet all of the FCPS and Maryland State Department of Education (MSDE) requirements before doing business with FCPS. See: [Maryland State Department of Education Website](#); [House Bill 486 Child Sexual Abuse and Sexual Misconduct Prevention](#); [MSDE Guidelines For MD. Code, Educ. 6113.2](#); and [Employment History Review Form for Child Abuse and Sexual Misconduct](#) for additional information.

In addition, there has been no change to the current FCPS requirement, that all contracted staff who have contact with students are required to be fingerprinted in order to obtain a criminal background check. Fingerprints and background check are still an enforced FCPS requirement.

7. Under recent amendments to §5-561 of the Family Law Article of the Maryland Code, each contractor, subcontractor, or vendor shall certify by signing this affidavit that any individuals in its work-force including sub-contractors, have undergone a criminal background check, including fingerprinting, if the individuals will work in a FCPS school facility in circumstances where they have direct, unsupervised, and uncontrolled access to children.

By my signature below, I affirm under penalties of perjury that the contents of this Certification of Compliance are true to the best of my knowledge, information and belief.
