RFP #23A2, Design Services Replacement of Yellow Springs Creek Elementary School

Request for Letter of Interest

Frederick County Public Schools is soliciting architectural design services for the replacement of Yellow Springs Elementary School (ES), currently located at 8717 Yellow Springs Road, Frederick, MD 21702. The replacement building will be constructed on a future school site owned by FCPS located at the end of Spring Run Circle, east of the intersection of Walter Martz Road and Christopher's Crossing. The future site is also expected to have a middle school building when additional middle school capacity is needed. Students currently attending Yellow Spring ES will remain in the existing building while the replacement building is constructed. Following construction of the new building, the old Yellow Springs ES building will be demolished as part of this project.

A feasibility study was completed in September 2022. The Board of Education approved the feasibility study and recommendation to replace the school on the future school site at their September 28, 2022 meeting. A copy of the feasibility study can be found on the BoardDocs agenda item on that date. <https://go.boarddocs.com/mabe/fcps/Board.nsf/Public>

The Board of Education approved the educational specifications for Yellow Springs ES at the October 26, 2022 meeting. The specifications include 81,627 gross square feet for the Yellow Springs ES educational program as well as an alternate to include 2,926 gross square feet to add a specialized program at that school. The design for this project is expected to serve as the prototype design for the next several elementary school projects.

Design and permitting of this project will begin in July 2023 upon award of the design contract and continue through November 2024. Assuming funding is available, construction will begin in late FY25. The new school is expected to open in fall 2026. Demolition of the old building and final site work will follow with project completion by fall 2027.

Only letters of interest from architecture firms will be considered. However, the architects shall include all professionals on their design team such as civil, mechanical, electrical and structural engineers, communication/data network consultants, food service consultants, LEED certified professionals, etc. in their response to this solicitation.

If you are interested in being considered for this project, please send an electronic copy of your cover letter indicating your interest in this project and listing any relevant experience that qualifies your firm for this project. You must also identify the project manager and names of all members of your design team including sub-consultants. In addition, to individual names of sub-consultants, include company names, addresses, phone numbers and emails. Please utilize SF330 forms parts I and II.

A team of FCPS staff will independently review and evaluate all letters of interest and select the top qualified firms. These firms will be invited to submit a full technical and fee proposal. Selection of those invited to respond to the RFP will be based in part on the firm's educational design experience, experience with similar projects and experience working in Maryland as well as your sub-consultants' experience with similar projects. The technical/fee proposals will be evaluated separately.

Please submit your letter of interest electronically through OpenGov Procurement. A FREE account can be created with OpenGov Procurement by signing up at <http://secure.procurenow.com/signup>. Letters of Interest shall be submitted electronically prior to 11:00 a.m., Monday, November 28, 2022. Be sure to include the RFP number on the Letter of Interest.

Should you have questions about this RFP, submit them in writing to kim.miskell@fcps.org by 4:00 PM on November 18, 2022, so that all questions and answers may be shared via an addendum.

FREDERICK COUNTY PUBLIC SCHOOLS

CERTIFICATION OF COMPLIANCE

1. All Contractors, subcontractors or vendors must abide by FCPS Board policies and regulations while working on FCPS property.
2. Maryland Law requires that any person who enters into a contract with a county board of education may not knowingly employ an individual to work at a school (or FCPS facility) if the individual is a registered sex offender. Please reference §11-113 of the Criminal Procedure Article of Maryland Code for penalty.
3. Be advised that individuals who are registered sex offenders are not eligible to work on any FCPS project. The Contractor must initially check the Maryland Department of Public Safety & Correctional Services' MARYLAND SEX OFFENDER REGISTRY and search for the name of any employee to be assigned to work on this project. This applies to subcontractors and material/equipment suppliers as well.
4. In the event that a registered sex offender is discovered to be working on a FCPS project, whether through employment by the prime Contractor, subcontractor or vendor, the site superintendent will immediately remove the individual from the premises and permanently terminate his work assignment. FCPS may terminate this contract as a result if the Contractor is unable to demonstrate he has exercised care and diligence in the past in checking the Maryland registry.
5. Effective July 1, 2015, amendments to §6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor or vendor for a local school system may not knowingly assign an employee to work on school premises with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving:
 - a. A sexual offense in the third or fourth degree under §3-307 or §3-308 of the Criminal Law Article of the Maryland Code.
 - b. Child sexual abuse under §3-602 of the Criminal Law Article of the Maryland Code or any other State; or
 - c. A crime of violence as defined in §14-101 of the Criminal Law Article of the Maryland Code or any other State
6. With the passing of Maryland Law MD. Code, Educ. 6-113.2, employers of all contracted staff must obtain background information relating to child sexual abuse or sexual misconduct. This means that all contracted staff having direct contact with students must meet all of the FCPS and Maryland State Department of Education (MSDE) requirements before doing business with FCPS. See: [Maryland State Department of Education Website](#); [House Bill 486 Child Sexual Abuse and Sexual Misconduct Prevention](#); [MSDE Guidelines For MD. Code, Educ. 6113.2](#); and [Employment History Review Form for Child Abuse and Sexual Misconduct](#) for additional information.

In addition, there has been no change to the current FCPS requirement, that all contracted staff who have contact with students are required to be fingerprinted in order to obtain a criminal background check. Fingerprints and background check are still an enforced FCPS requirement.

7. Under recent amendments to §5-561 of the Family Law Article of the Maryland Code, each contractor, subcontractor, or vendor shall certify by signing this affidavit that any individuals in its work-force including sub-contractors, have undergone a criminal background check, including fingerprinting, if the individuals will work in a FCPS school facility in circumstances where they have direct, unsupervised, and uncontrolled access to children.

By my signature below, I affirm under penalties of perjury that the contents of this Certification of Compliance are true to the best of my knowledge, information and belief.
