

POLICY	BOARD OF EDUCATION OF FREDERICK COUNTY, MARYLAND		
MEMORIALS HONORING DECEASED STUDENTS AND STAFF		POLICY 206	

Purpose

The Board of Education (Board) wishes to support memorial activities for deceased students and staff to provide an opportunity for people in the school and community to grieve and heal as they honor an individual's life.

Policy Statement

In accordance with this policy, the Superintendent is directed to provide a regulation that outlines criteria and options for schools to consider if they elect to conduct memorial activities in their buildings, provided permission is first sought from the family of the deceased.
