Under the terms of the statute, qualifying exigency leave is available to a family member of a military member in the National Guard or Reserves or Active Duty members of the military who are to be deployed overseas.

I. Covered Veteran

A "covered veteran" is defined as an individual who was discharged or released at any time during the five-year period prior to the first date the eligible employee takes FMLA to care for the covered veteran. A dishonorable discharge disqualifies the veteran from coverage. The period between the October 28, 2009 enactment of the law and the March 8, 2013 effective date of the Final Rule is excluded in the determination of the five-year period for covered veteran status.

J. Twelve-Month Period

The 12-month period for the FCPS system begins on July 1 and extends through June 30.

K. Reduced Leave Schedule

The term "reduced leave schedule" means a leave schedule that reduces the usual number of hours per workweek, or hours per workday, of an employee.

L. Serious Illness or Injury Sustained in the Line of Duty on Active Duty

The term "serious illness or injury " means an injury or illness incurred by the covered service member in line of duty on active duty in the Armed Forces that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating. This may include pre-existing conditions which were aggravated by military service. For veterans, the definition of a serious injury or illness for a covered veteran includes four alternatives, only one of which must be met: (1) a continuation of a serious injury or illness that was incurred when the covered veteran was a member of the Armed Forces; (2) a physical or mental condition for which the covered veteran has received a VA Service Related Disability Rating of 50% or greater; (3) a physical or mental condition that substantially impairs the veteran's ability to secure or follow a gainful occupation; or (4) an injury for which the covered veteran has been enrolled in the VA's Program of Comprehensive Assistance for Family Caregivers.

M. Qualifying Exigency

“Qualifying exigency” may include the following:

1. Issues arising from a covered military member’s short notice deployment (i.e., deployment on seven or less days of notice) for a period of **seven** days from the date of notification.
2. Military events and related activities, such as official ceremonies, programs, or events sponsored by the military or family support or assistance programs and informational briefings sponsored or promoted by the military, military service organizations, or the American Red Cross that are related to the active duty or call to active duty status of a covered military member.
3. Certain childcare and related activities arising from the active duty or call to active duty status of a covered military member, such as arranging for alternative childcare, providing childcare on a non-routine, urgent, immediate need basis, enrolling or transferring a child in a new school or day care facility, and attending certain meetings at a school or a day care facility if they are necessary due to circumstances arising from the active duty or call to active duty of the covered military member.
4. Making or updating financial and legal arrangements to address a covered military member’s absence.

1. Is designated by the United States Secretary of Defense as an operation in which members of the armed forces are or may become involved in military actions, operations, or hostilities against an enemy of the United States or against an opposing military force; or

2. Results in the call or order to, or retention on, active duty of members of the uniformed services under section 688, 12301(a), 12302, 12304, 12305, or 12406 of Title 10 of the United States Code, chapter 15 of Title 10 of the United States Code, or any other provision of law during a war or during a national emergency declared by the President or Congress.

O. Key Employee

A salaried FMLA-eligible employee who is among the highest paid 10 percent of all the employees employed by the employer within 75 miles of the employee's worksite.

III. Procedures - General Statement of Regulation

Family and Medical Leave is provided for up to 12 weeks of leave per year because of "any qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation. Military Family and Medical Leave is provided for up to 26 weeks for a spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty. Employees are eligible if they have worked as regular employees at least 12 months for the FCPS system prior to requesting leave and are regular employees in a 0.5 or greater position. The employee must have worked at least the equivalent number of hours as for a 0.5 position the prior fiscal year. (See Addendum at the end of this regulation)

A. Entitlement for Leave

Eligible employees are entitled to a total of 12 workweeks of leave between each period of July-June because of a "qualifying exigency" arising out of one of the following:

1. The spouse, son, daughter, or parent of the employee is on active duty, in support of a contingency operation.
2. The spouse, son, daughter, or parent of the employee has been notified of an impending call to active duty status, in support of a contingency operation.

Eligible employees are entitled to up to 26 weeks of leave in a single 12-month period in order to provide care for a spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty. (See Section II, K)

Eligible employees are entitled to a combined total of up to 26 weeks of all types of FMLA leave during the single 12-month period.

B. Benefits for the Employee

1. In accordance with school system policies and practices, eligible employees taking leave under the law are able to return to the same job or a job with equivalent status and pay.

2. The FCPS system will continue the employee's health benefits at the same level and conditions as if the employee had continued to work. If the employee chooses not to return to work, the employee must repay the premium that the FCPS system paid for the employee's and dependents' health coverage.

C. Advance Notification of Leave Request

The employee is required to give 30 days' notice, or if this is not possible, as much notice as is practical.

D. Determining the 12-week or 26-week FMLA Period

For purposes of determining the amount of leave used by either a full-time or eligible part-time employee, the fact that a holiday may occur within the week taken as FMLA leave has no effect; the week is counted as a week of FMLA leave. For example, if an employee is on FMLA leave during the week in which the Martin Luther King holiday falls, the employee's leave time is not extended by one day. If the school system temporarily closes for one or more weeks, the days the school system's activities have ceased do not count against the employee's FMLA leave entitlement.

For Military Caregiver Leave, the 12-month period in which the employee is entitled to 26 weeks of leave begins with the first day the employee takes off for this purpose. For all other types of FMLA leave, the calendar will run concurrent with the fiscal year.

IV. Leave Conditions

A. Expiration of Entitlement

1. The entitlement to leave for a birth, adoption, or foster care placement of a son or daughter shall expire at the end of the 12-month period beginning on the date of such birth, adoption, or foster care placement.
2. Leave to care for a seriously ill family member or because of the employee's own serious health condition may be taken whenever medically necessary.

B. Leave Taken Intermittently or on a Reduced Leave Schedule

The law provides that if an employee requests intermittent leave or leave on a reduced leave schedule that is foreseeable based on planned medical treatment, including during a period of recovery from a serious health condition, the employer may require the employee to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than does the employee's regular position. An alternative position for these purposes does not have to have equivalent duties. The employer may also transfer the employee to a part-time job with the same hourly rate of pay and benefits, provided the employee is not required to take more leave than is medically necessary.

C. Scheduling Requirement

The Family and Medical Leave law provides that when planning medical treatment or appointments, the employee should consult with the employer and make a reasonable effort to schedule the leave so as not to disrupt unduly the employer's operations. Employees are ordinarily expected to consult with their employers prior to the scheduling of leave in order to work out a schedule which best suits the needs of both the employer and the employee. In any event, when notice is given of the need for leave, an employer may, for justifiable cause, require an employee to attempt to reschedule the appointments or leave when it is reasonable and practical to do so.

D. Classification of Leave

Family Medical Leave may consist of paid or unpaid leave. All accrued paid leave shall be applied to the employee's absences before unpaid leave begins. Whether leave is paid or unpaid, the time off from work counts toward the 12-week or the 26-week entitlement.

1. Unpaid leave

If accrued paid leave is available for fewer than 12 workweeks, the additional weeks of leave necessary to attain the 12 workweeks of leave required will be without compensation.

2. Paid leave

- a. An eligible employee shall use all the accrued paid annual leave, sick leave, or personal leave of the employee for maternity, foster care, or adoption leave.
- b. In the case of a serious health condition, the eligible employee shall use all accrued paid sick leave, annual leave, or personal leave, and may use approved leave from the sick leave bank. The paid leave runs concurrently with the FMLA leave period.
- c. In the case of a serious health condition of a spouse, child, or parent, accrued paid annual leave or personal leave shall be used if the employee has such leave. Sick leave shall be taken in accordance with current FCPS system sick leave regulations and the negotiated agreements, if applicable.

3. Military Family and Medical Leave

- a. The school system may ask an employee requesting leave to explain the reasons for the leave so that the school system can determine if the leave qualifies as Military Caregiver Leave and Qualifying Exigency Leave.
- d. If the employee was absent for an FMLA reason and the supervisor did not learn the reason for the absence until the employee's return, the school system may, upon the employee's return to work, promptly (within five business days of the employee's return to work) designate the leave retroactively with appropriate notice to the employee.

E. Both Parents Employed by the Frederick County Public Schools System

If both parents entitled to leave are both employed by the FCPS system, they are limited to a combined total of 26 workweeks of leave during the relevant 12-month period if the leave taken is to care for a covered service member or a combination of leave taken to care for a covered service member and leave for the birth or placement of a healthy child or to care for a parent with a serious health condition.

V. Notification Requirements

A. Military Caregiver Leave and Qualifying Exigency Leave

1. An employee must provide the FCPS system at least 30 days' advance notice before Family and Medical Leave is to begin of the need for the leave. If 30 days' notice is not practicable, notice must be given as soon as practicable.
2. The employee shall make a reasonable effort to schedule leave so as not to unduly disrupt the school system operations.
3. The employee must submit either a Medical Certification of Health Care Provider Form, or WH-384 Certification of Qualifying Exigency For Military Family Leave (PDF), or WH-385 Certification for Serious Injury or Illness of Covered Service-member -- for Military Family Leave (PDF) along with appropriate supporting documentation. The health care provider does not have to specify a diagnosis.

VI. Employment and Benefits Protection

A. Restoration to Position

1. An employee eligible for Military Caregiver Leave and Qualifying Exigency Leave (with the exception of employees designated as "key employees" per Section II N) will be restored to his or her old position or to a position with equivalent pay, benefits, and other terms and conditions of employment. An attempt will be made to restore an employee returning from Military Family and Medical Leave to his or her original position. If an employee's original position is unavailable, the employee will be placed in an "equivalent position".
2. Loss of benefits: The taking of leave shall not result in the loss of any employment benefit accrued prior to the date on which the leave commenced.
3. Nothing shall be construed to entitle any restored employee to any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled had the employee not taken the leave, except the accrual of any seniority or leave during any period of unpaid leave.

B. Exemption Concerning Certain Highly Compensated Employees - Key Employees

1. Denial of restoration: The FCPS system may deny restoration to any eligible employee as described in B.2 if:

- a. Such denial is necessary to prevent substantial and grievous economic injury to the operations of the employer;
 - b. The employer notifies the employee of the intent of the employer to deny restoration on such basis at which time the employer determines that such injury would occur; and
 - c. In any case in which the leave has commenced, the employee elects not to return to employment after receiving such notice.
2. Affected employees: A salaried, eligible employee who is among the highest paid 10% of the employees of the school system.
 3. Although an affected employee may be denied restoration, the employee is still entitled to leave.

C. Maintenance of Health Benefits

1. Coverage - The FCPS system shall maintain health and dental coverage under any "group health plan" for the duration of such leave at the level and under the conditions coverage would have been provided if the employee had continued in employment. If the Military Family and Medical Leave is paid, premium contributions will be made on a payroll deduction basis. If the Military Family and Medical Leave is unpaid, any required premium contributions may be billed to employee. Checks are payable to FCPS and should be sent to the Benefits Office, Central Office Building, 191 South East Street, Frederick, MD 21701.
2. Failure to return from leave - The FCPS system may recover the premium that the employer paid for maintaining coverage for the employee, and, if applicable, for the employee's dependents under such group health plan during any period of unpaid leave if the employee fails to return from leave after the period of leave to which the employee is entitled has expired. This does not apply in cases where the employee fails to return for reasons beyond the control of the employee.
3. In order to maintain dependent coverage, payment must be made to the benefits office by the employee within the designated time. The FCPS system will provide the employee with advance written notice of terms and conditions under which these payments must be made.
4. Failure to make required premium payments - The FCPS system may drop the coverage for an employee whose premium payment is more than 30 days late. Employees will be notified 15 days before coverage is to cease, advising that coverage will be dropped on a specified date at least 15 days after the date of the letter unless the payment has been received by that date.

D. Experience Credit

Employees on unpaid leave in excess of 12 weeks will not automatically receive experience credit.

VII. School System Special Conditions

- A. If a teacher begins Military Caregiver Leave five or more weeks prior to the end of the semester, and the period of leave is for more than three weeks, then the school district can require an employee seeking to return within the last three weeks to wait until the next semester.
- B. If the teacher begins Military Caregiver Leave less than five weeks before the end of the semester and the period of leave is greater than two weeks, then the school district can require an employee seeking to return within the last two weeks to wait until the next semester.
- C. If the teacher begins Military Caregiver Leave three or fewer weeks before the end of the semester and the period of leave is greater than five working days, the school district may require the employee seeking to return to wait until the next semester.
- D. The two academic terms occurring during the year are designated as a semester.

VIII. Recordkeeping

- A. The FCPS Employee Benefits Officer will manage the Military Family and Medical Leave recordkeeping system and notify the employee of approval of Military Family and Medical Leave or any issues thereof.
- B. Principals, supervisors, and work site managers are responsible for the proper coding of all annual, personal, and/or sick leave as Military Family and Medical Leave.
