

FREDERICK COUNTY PUBLIC SCHOOLS		Reg. No. 400-84
Subject:	CHARTER SCHOOL APPLICATION PROCESS	Date of Issue: 3/14/07
Preparing Office:	Office of the Superintendent	Amended: 12/7/10

I. Policy 440

II. Procedures

A charter school applicant may submit an application in accordance with provisions outlined in Board Policy 440 and the following procedures:

A. Submittal of Concept Proposal

1. The purpose of providing a concept proposal is to provide the applicant the opportunity to informally share information and receive feedback from the board.
2. A concept proposal may be submitted by May 1 of the year preceding the proposed starting date in order for the board to provide initial feedback prior to the application process.
3. The attached exhibit entitled, "Concept Proposal for a Charter School" is provided as a resource if the applicant seeks to submit a proposal.

B. Application Process

Those interested in applying to operate a public charter school must submit an application to the superintendent by August 1 of the year prior to the proposed starting date. The applicant shall submit eight (8) copies of the application for distribution to the superintendent and board members with appropriate permissions acknowledged for photocopying any material that is copyright protected. Each application shall include but not be limited to, the following components:

1. Vision and Mission Statement - The applicant's vision for the public charter school and a mission statement as to how the vision will be achieved.
2. Action Plan - Specific action plans and strategies for developing and delivering educational programs and services including the provision for special populations.
 - a. Philosophy and goals of the program
 - b. Education levels to be offered (preschool, elementary, middle, secondary)
 - c. Student to teacher ratio
 - d. Unique focus of the school program as appropriate (i.e., reclaiming dropouts, utilizing specific instructional programs)
 - e. Fully developed curriculum showing alignment with Maryland voluntary state curriculum
 - f. Instructional methods to implement the curriculum
 - g. Appropriate technology, equipment, libraries and other media available
 - h. Length of student instructional day
 - i. Extracurricular offerings
 - j. Extended day program/supplemental programs - both free and fee-based
 - k. Provision for transportation, if appropriate
 - l. Building security and safety plan

3. Desired Educational Results - including student academic outcomes and how they will be measured.
4. Student Admission Procedures
5. Staffing Plan
6. Management Plan
 - a. Applicants must clearly define the governance structure that will be in place for the public charter school. Staff, parents and the community must be represented in the governance structure.
 - b. Applicants must specify the methods by which they expect to achieve legal, fiscal, and programmatic accountability for the operation of the public charter school and must be accountable to the local board for performance results and for fiduciary responsibility.
7. Facilities Plan - Unless otherwise agreed, a public charter school applicant shall be responsible for providing and maintaining a facility. A facilities plan for the charter school must be provided that specifies cost, location, available space as well as the use, terms, and conditions of the facility acquisition and necessary utilities.
8. Financial Plan - An applicant must submit a financial plan for the charter school, which includes a proposed budget outline, proposed student enrollment, and revenue sources. The plan will include assurances of financial solvency for the duration of the charter and accountability for the use of funds and resources.
9. Community Support - A description of the type and extent to which there is sufficient community support for the proposed public charter school must be submitted.
10. Conflict of Interest - Each founding member and individuals serving on the proposed charter school's board of directors will be required to complete a conflict of interest form. (See Exhibit 3).
11. Waivers - An applicant must identify waivers it intends to request from either the local or state board that it deems necessary to execute the mission of the proposed charter school.

C. Resources to Aid Applicants in Developing an Application

The following documents are offered as resources in assisting the applicant in developing an application to meet expectations as outlined in Board policy and regulation:
