**404 Students' Responsibilities and Rights**

In accordance with Maryland State Board of Education bylaw 13A.08.01.10, the board approved a Students' Responsibilities and Rights Document. An instructional unit in high school social studies orients students to their responsibilities and rights. Due process is guaranteed through a grievance procedure in effect in each secondary school. The document shall be distributed to and reviewed annually with all secondary school students and revised accordingly.
