

POLICY	BOARD OF EDUCATION OF FREDERICK COUNTY, MARYLAND
REPORTING EMERGENCIES	SECTION 411
	Approved: 5/10/06

411 Reporting Emergencies

- A. If it is necessary for a school to call an ambulance, the fire department, the police, or other emergency response personnel, the circumstances should be communicated to the office of the superintendent in order to provide information to the media, citizens, and parents of the school when appropriate.
- B. Notification will be provided to specific parents/legal guardians when their child is detrimentally involved in the emergency (i.e., ambulance called).
- C. Reports of bomb threats are to be immediately communicated to the office of the superintendent and should include a statement of the action being taken by the school.
