

POLICY	BOARD OF EDUCATION OF FREDERICK COUNTY, MARYLAND	
CONTESTS AND ACTIVITIES	SECTION 428	
		Approved: 5/9/07 Reviewed: 5/9/07

428 Contests and Activities

The board recognizes the worthy motives of organizations wishing to sponsor contests and non-fund raising activities for the public school children in Frederick County. However, the number and kind of contests and activities shall be controlled to prevent interference with instruction. The superintendent shall establish appropriate procedures for the administration of contests and non-fund raising activities, which will not unduly interrupt the instructional process.
