**502 Education That Is Multicultural Program**

Education That Is Multicultural is to be a continuous, integrated, multiethnic, multidisciplinary process for educating all students about diversity and commonality. Diversity factors include but are not limited to race, ethnicity, region, religion, gender, language, socioeconomic status, age, and individuals with disabilities. It encompasses curricular infusion and instructional strategies in all subject areas. Education That Is Multicultural prepares students to live, learn, interact, and work creatively in an interdependent global society by fostering mutual appreciation and respect. The Educational That Is Multicultural program includes staff development experiences that prepare school system personnel to design, manage, implement, and evaluate multicultural education.
